ROCKET

Volume 40

1981

Published by the Star City Rocket Staff
Star City High School

What is a greatest hit? What makes a greatest hit? These are two important questions to think about. We feel that our 1981 Rocket is a greatest hit. Why? Because of the people in it.

Ever since 1939, when Star City published its first yearbook, the book has been improving. Our yearbook is called the Rocket because it implies motion onward and upward.

When the 1939 Rocket Staff published their book they said, "We hope this first effort at a high school yearbook will serve as a springboard for bigger and better Rockets." It did then and it still does.

A greatest hit depends on the people. A lot of work goes into the making of a greatest hit. We feel that we have worked hard and done a good job.

Our theme this year is "Bulldog's Greatest Hits." We are the Bulldogs and this is all of our greatest hits from academics to athletics for the year 1980-81.

On the Road Again ... Traveling down 81 has been a favorite past-time of many students, and as graduates of '81 they will soon be on the road again. The road of tomorrow, their future.

THE YEAR OF THE GREATEST HITS

1981

"THIS ONE'S

Educators should be chosen not merely for their special qualifications, but more for their personality and their character, because we teach more by what we are than by what we teach.

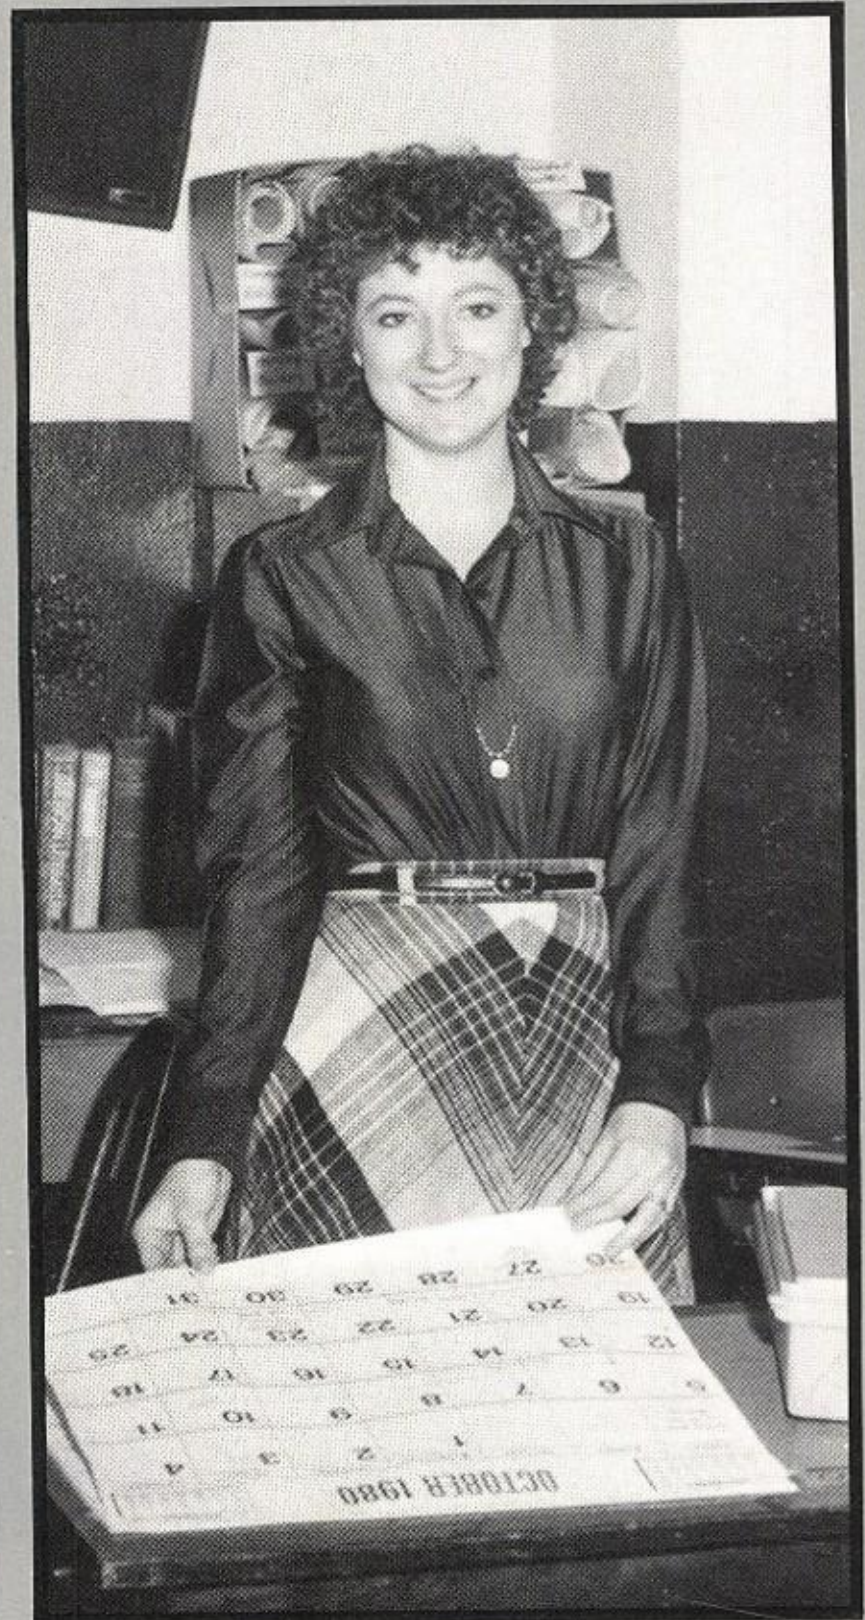

William James Durant

FOR YOU"

We, the 1980-81 Rocket Staff, would like to say, "This One's For You, Mrs. Scifres." We appreciate the way you put yourself into your teaching and all the time and energy you put into making the school plays a success. We also appreciate the effort you put into making your speech class enjoyable.

Mrs. Scifres has taught at Star City High School for three years. She teaches English and Speech. She is an 11th and 12th grade class sponsor, she directs all the school plays and is the Speech Club sponsor.

She is married to Mr. Burl Scifres and they have one son, Wesley.

This is a very special page in this yearbook. Each year the Rocket Staff dedicates this page in memory of very special people in our school and city who have passed away, but have made their marks and touched each of our hearts in their own special way. Fortunately, this year there have been no fatalities in our city, and the 1981 Rocket Staff is dedicating this page to our Greatest Hits.

These are our Greatest Hits, as selected by the popular vote of the Senior Class of 1981.

F A M E

This year's recipient of the Outstanding Senior Award is Patti Martin. Patti is a well-rounded young lady and is active in many school organizations. These include Rocket Staff, Paper Staff, NHS, Speech Treasurer, FTA Treasurer and Sr. Science Reporter.

Some honors she has received include district and state awards in 4-H. She was named to Who's Who Among American High School Students, and has been offered an ACT Scholarship.

Not only is Patti active with these organizations, but she has maintained a 4.0 grade average and is ranked #1 in her class along with two other students.

Congratulations to a worthy and outstanding Senior.

DOGS SHARE CONFERENCE TITLE

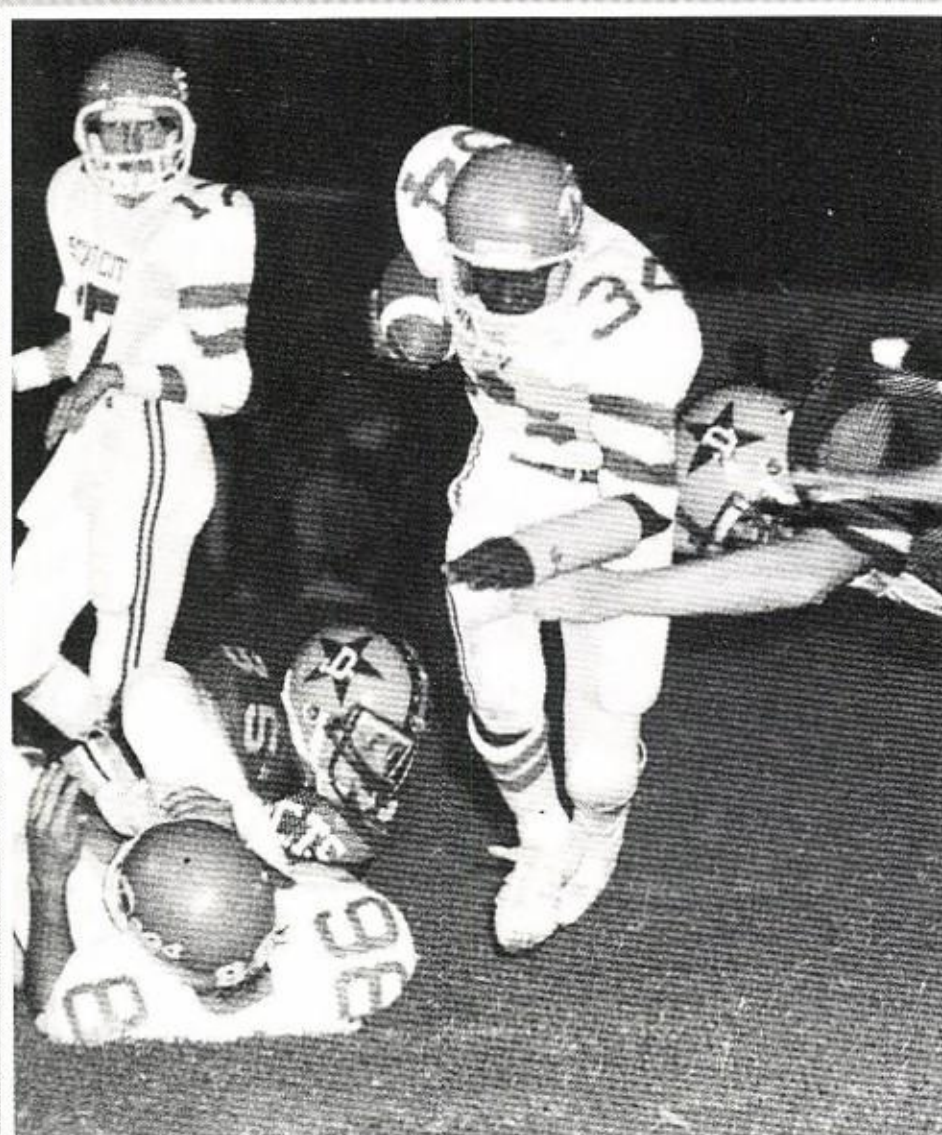

Under first year head coach Charlie Baggett the 1980-81 Bulldogs claimed a share of the first place position in the conference with a 4-2 conference record and a 5-4 over-all season record.

After suffering two losses in a row on the road against Dumas and McGehee the Bulldogs traveled to Lake Village where they pulled together for their first winning effort of the season. They kept it up the next week by defeating Fordyce at the first home game of the season. The Bulldogs then suffered two straight defeats, at the hands of SAAA Whitehall and a tough Hamburg team. The Bulldogs then rallied the latter part of the season by winning three straight games. The dogs handed shut-outs to both Monticello and Eudora. A brilliant fourth quarter rally crushed a stubborn Dermott team, to clinch a share of the title.

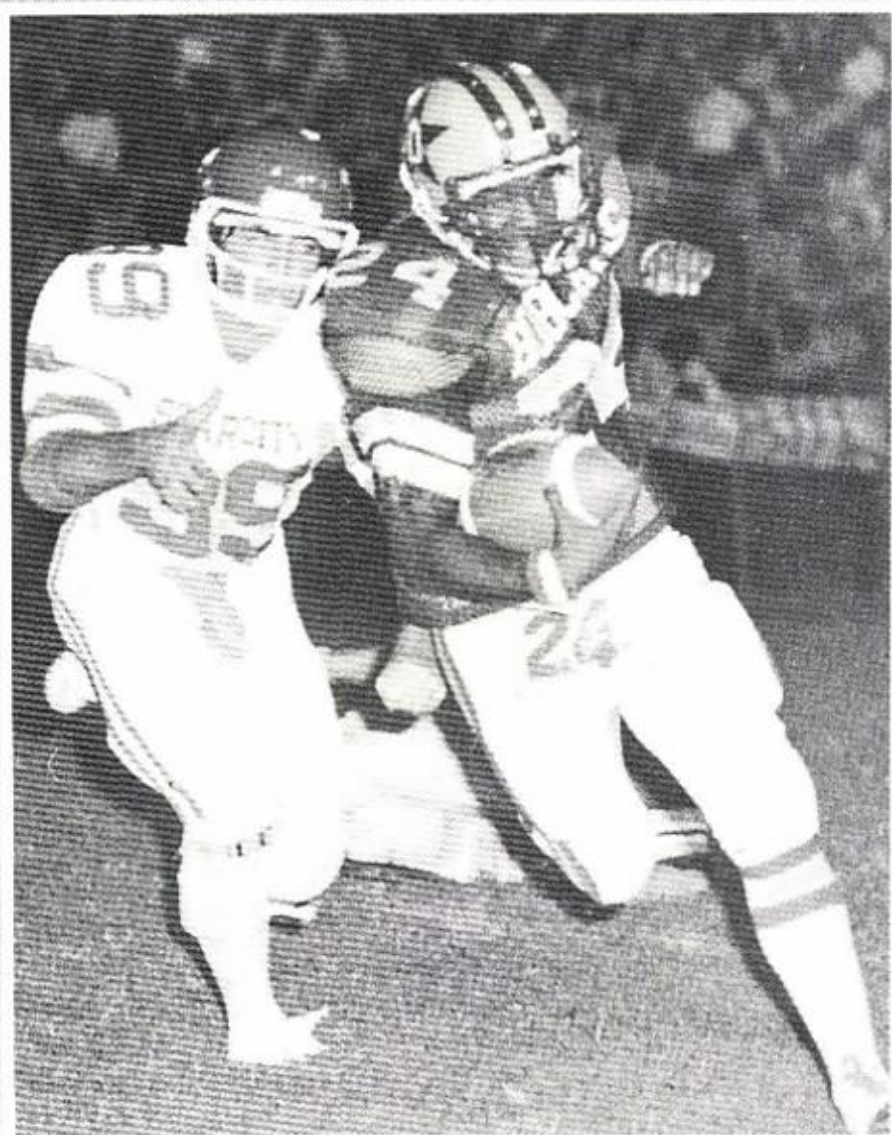

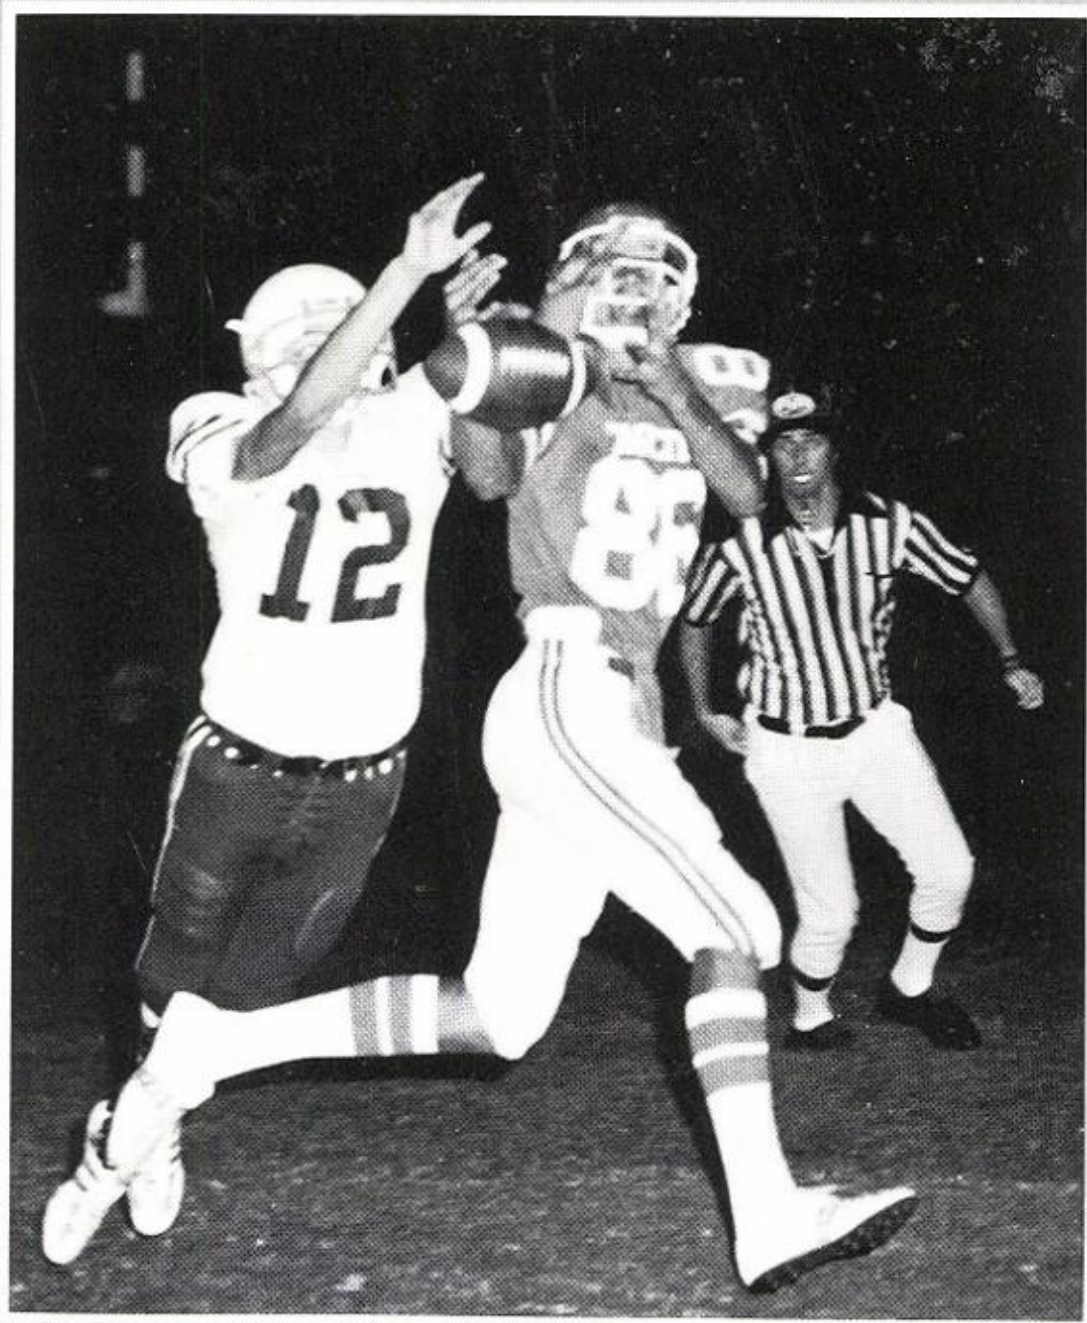

Tracy Hoyt (17) pitches to Cliff Blasingame (44) as Keith Lee (34) and Greg White (68) block.

Keith Lee (34) breaks for yardage behind Donny Shepherd's block as Tracy Hoyt (17) looks on.

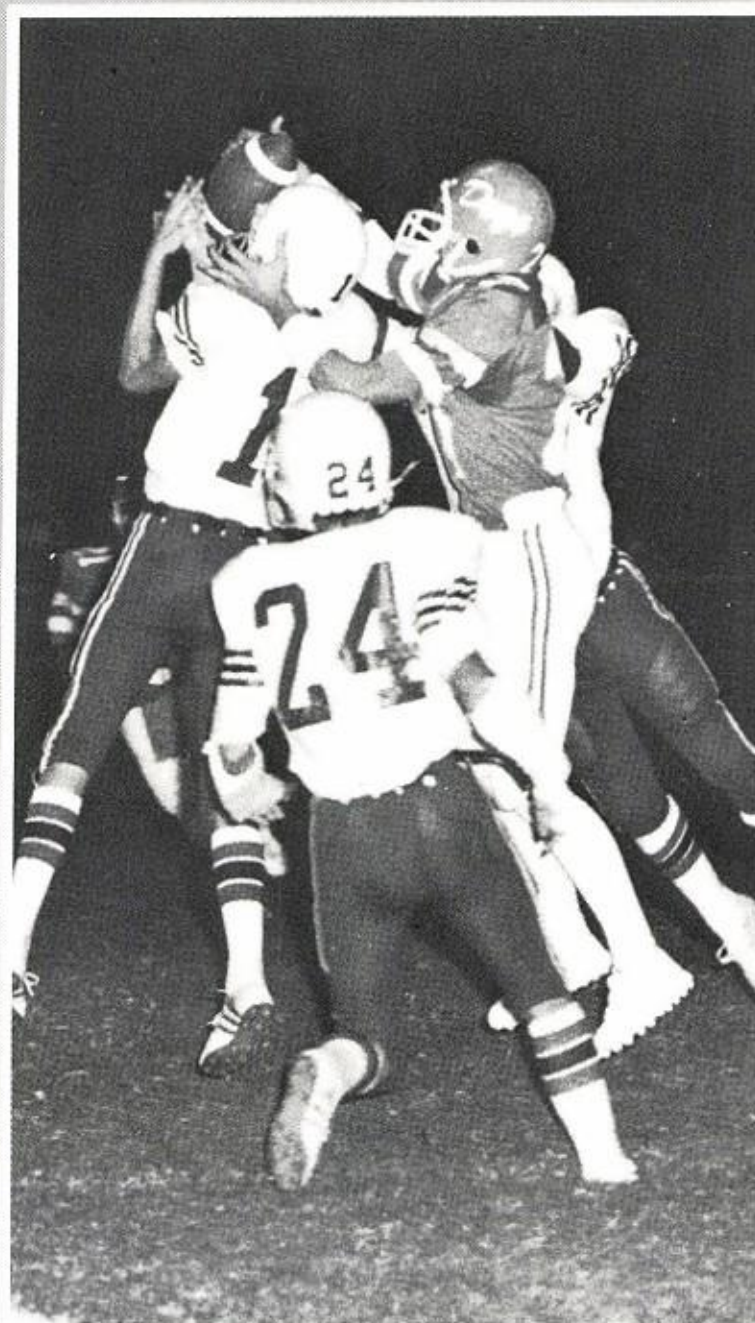

Danny Watts (39) closes in on the Dumas ball carrier.

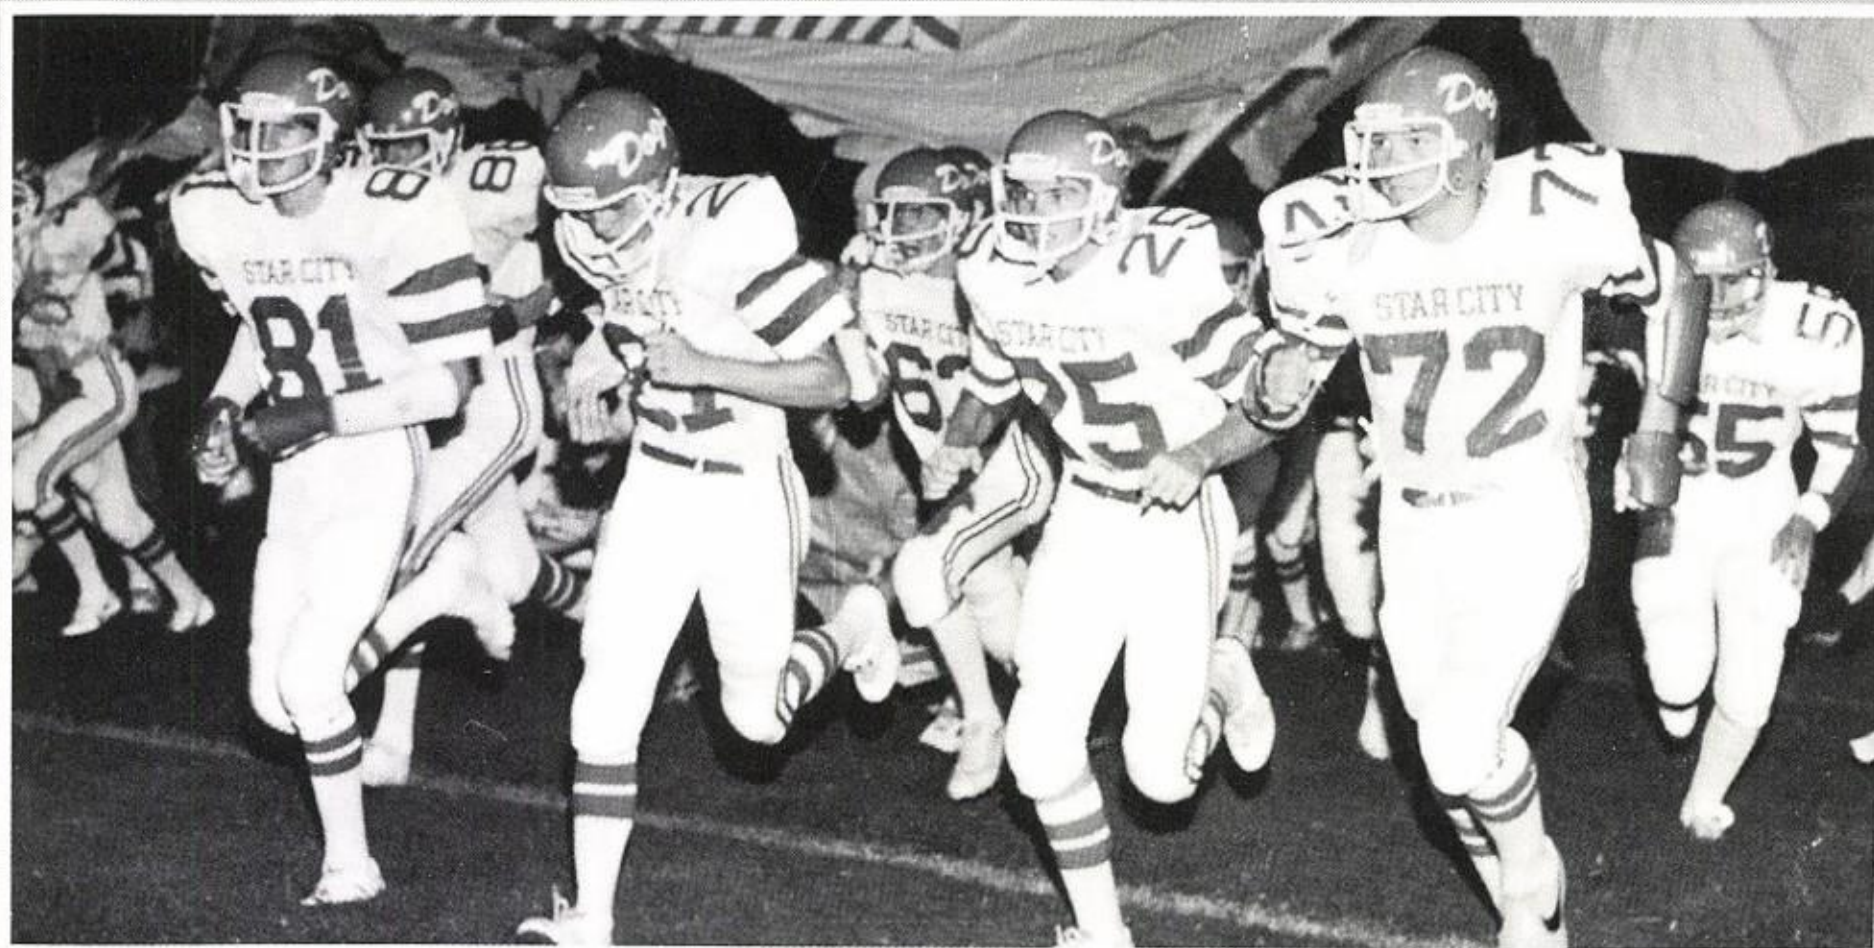

Donny Shepherd (86) is interfered with as he attempts to catch Hoyt's pass.

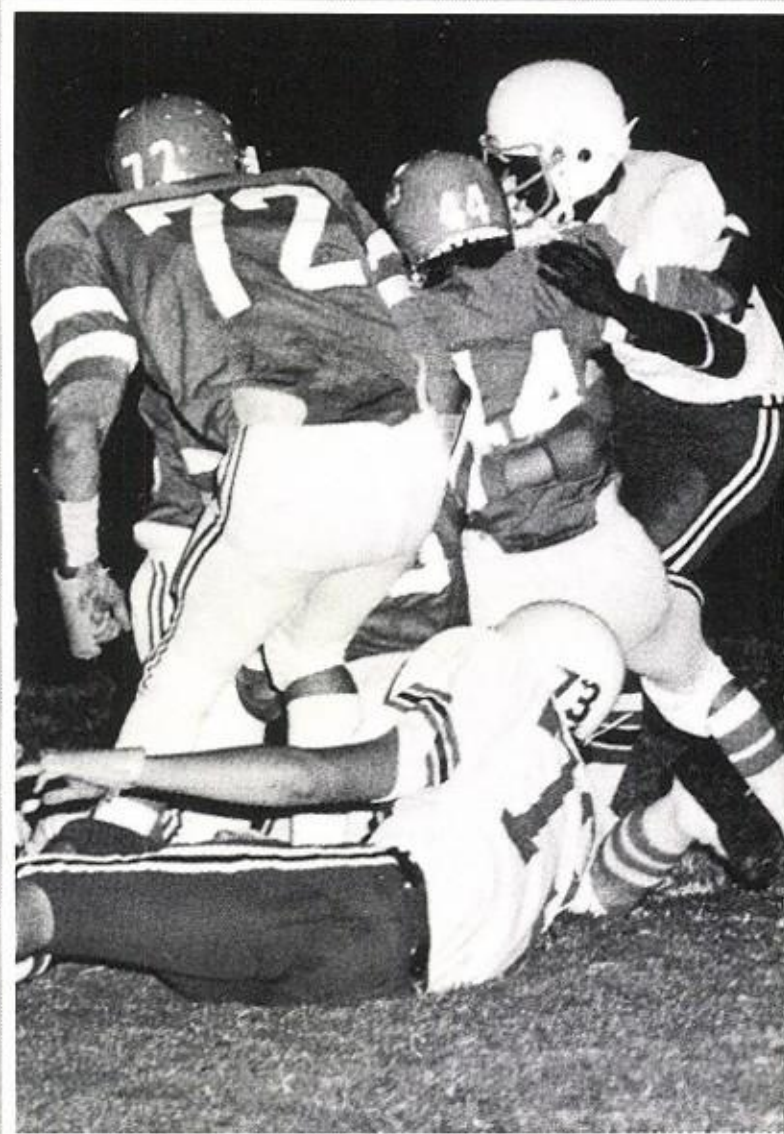

Lance Gasaway (27) struggles with the Red-bug defense for the ball.

The Bulldogs take the field.

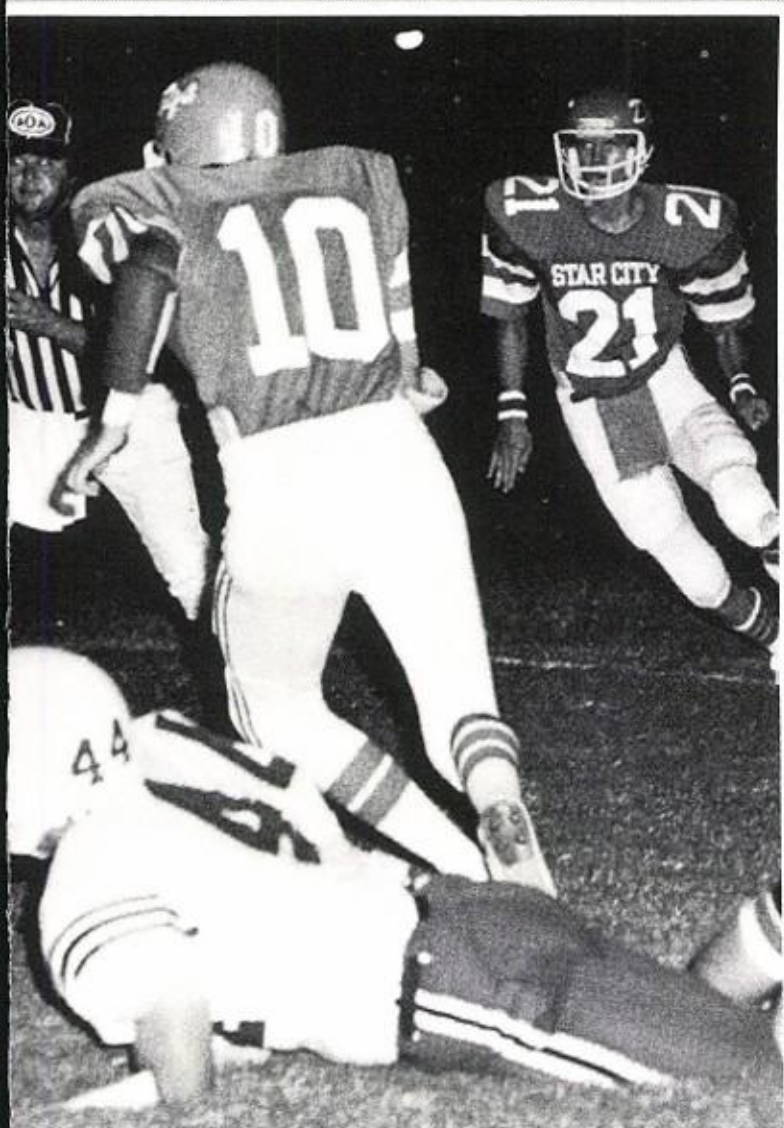

The Bulldogs calmly wait for the beginning of the Lake Village game.

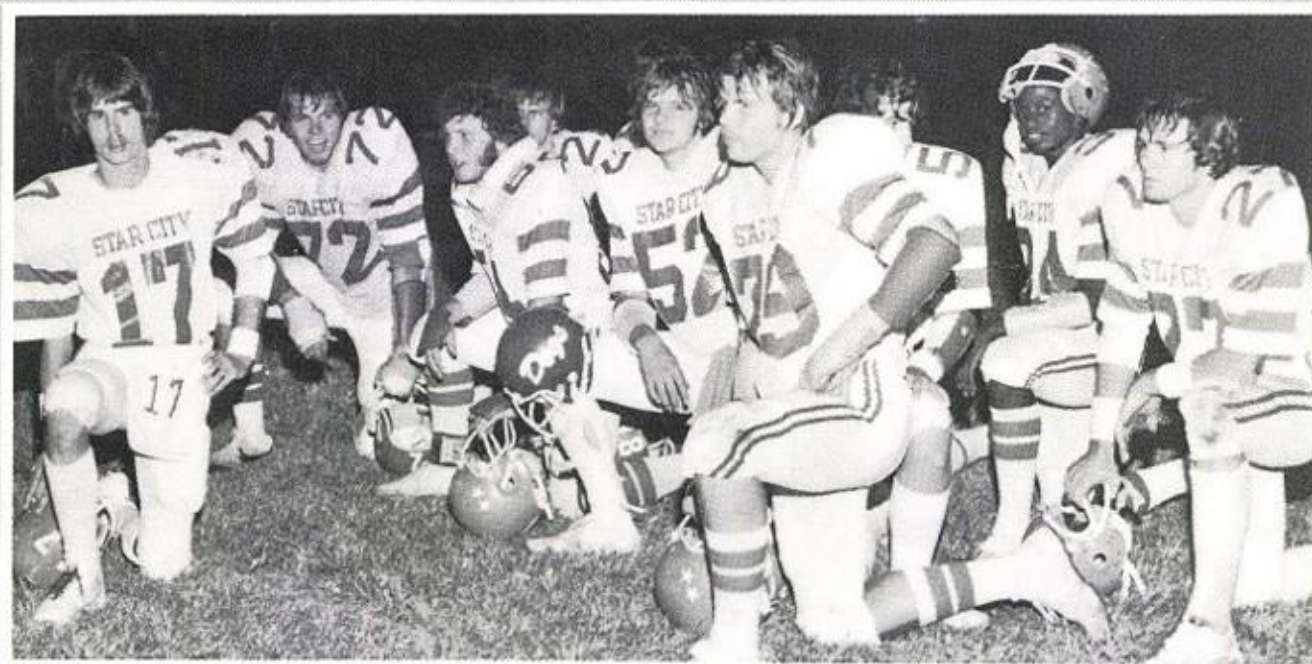

The "mad-dog" defense puts the bite on a Redbug running back.

Tracy Hoyt (17) rolls out behind the blocking of Eric Conner (79), Wayne McCoy(52), and Toby Hill (64).

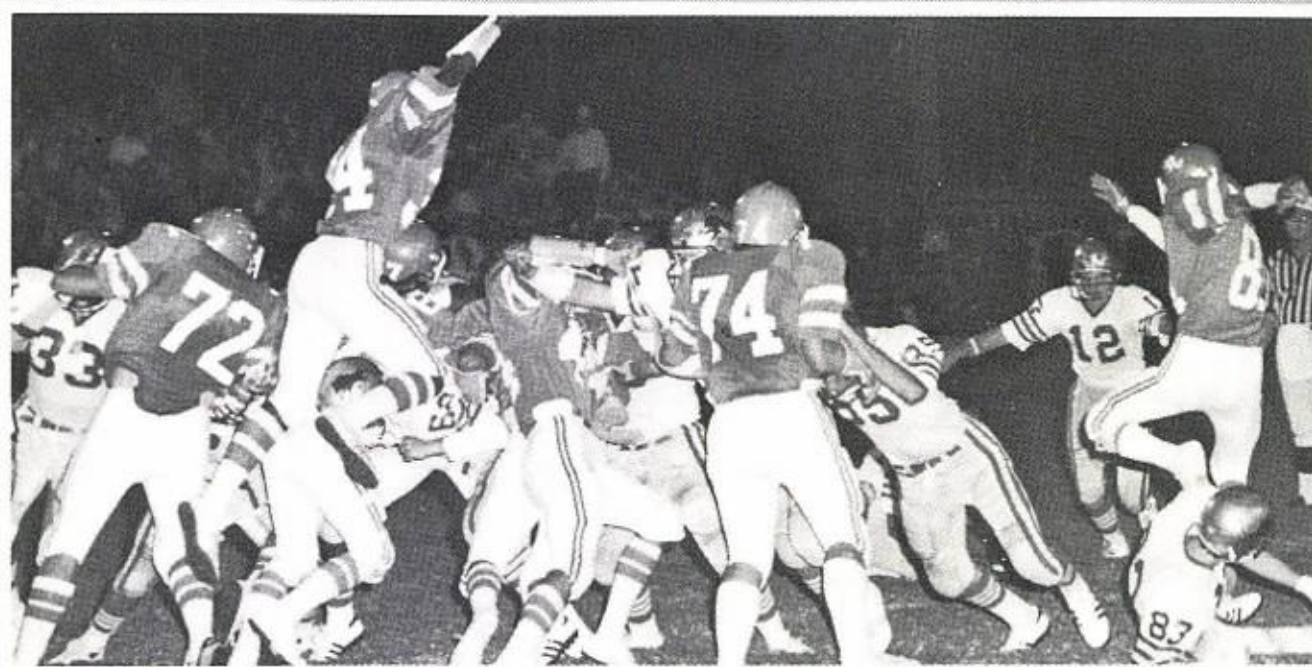

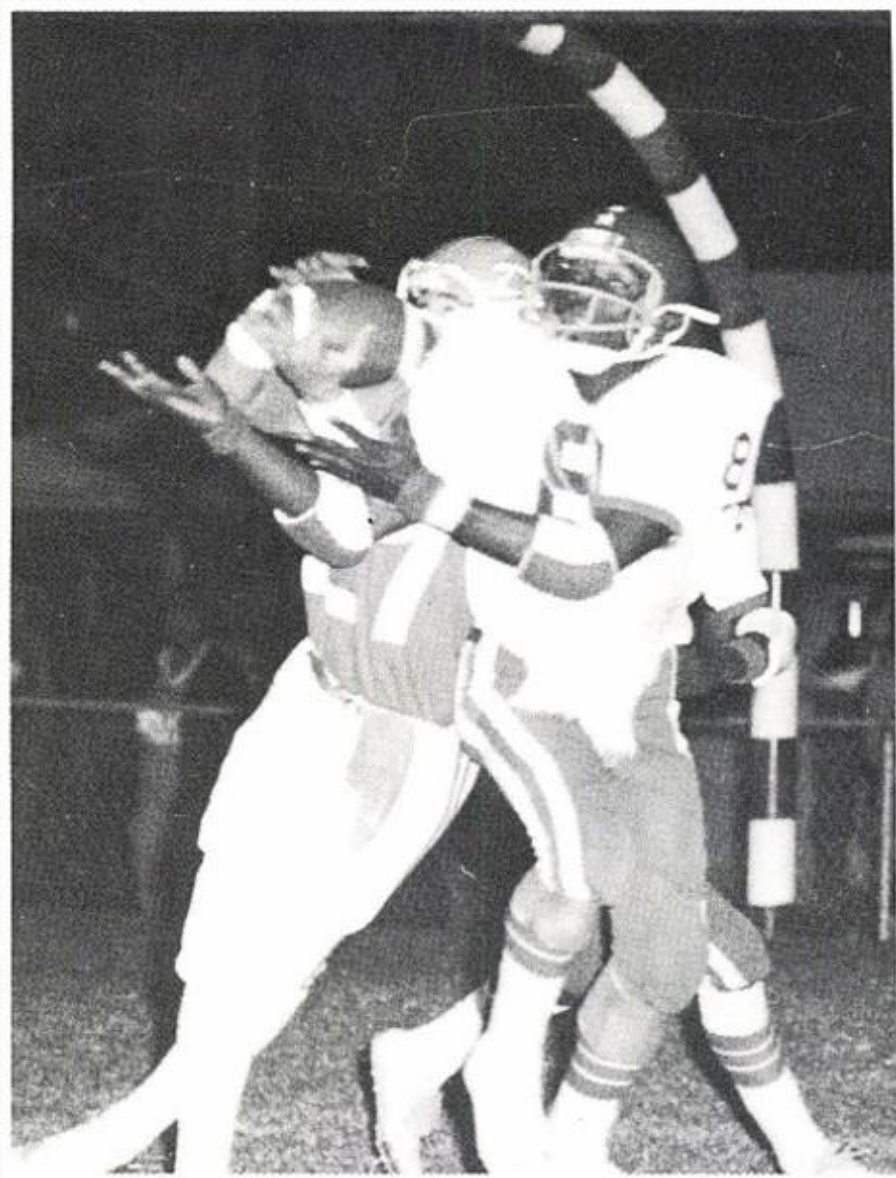

Danny Watts (39) scoots around end for yardage against Fordyce.

The mighty Bulldog offense takes a breather against White Hall.

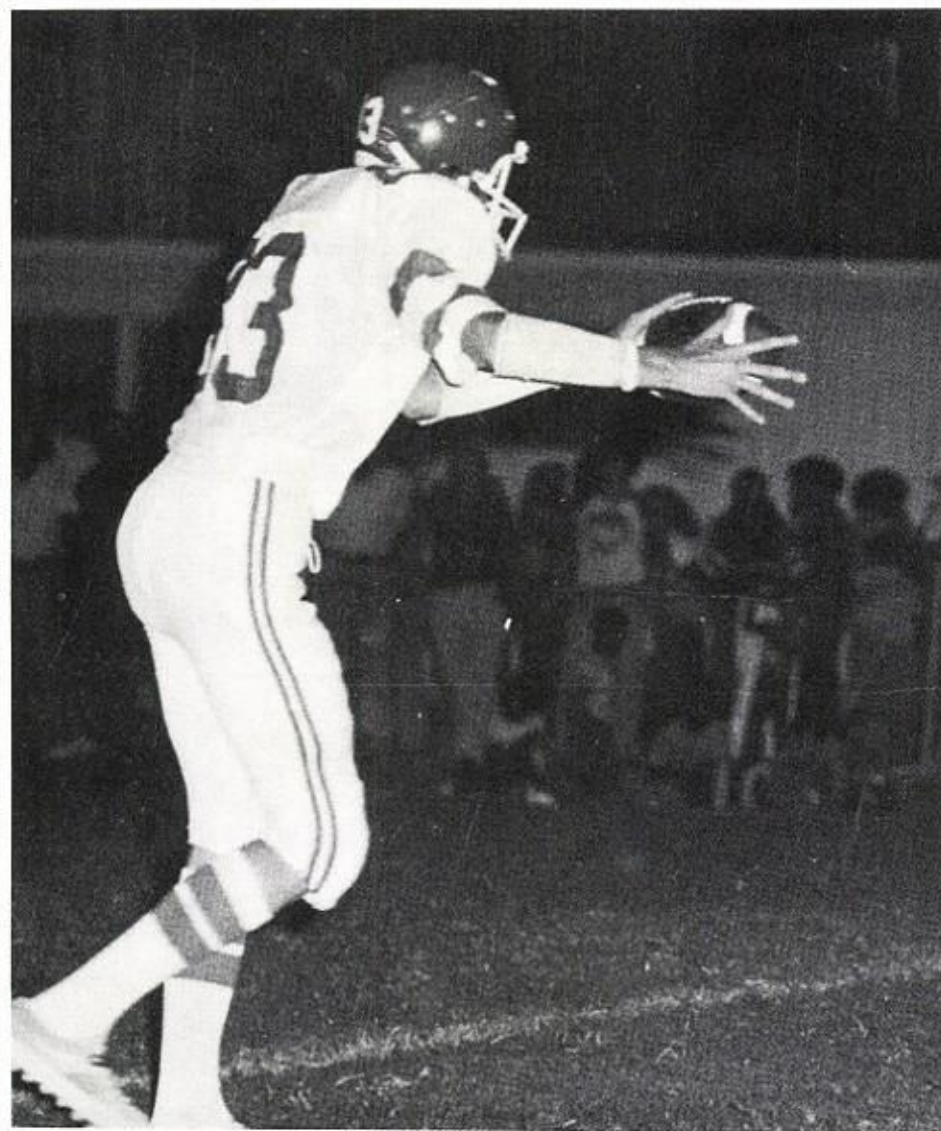

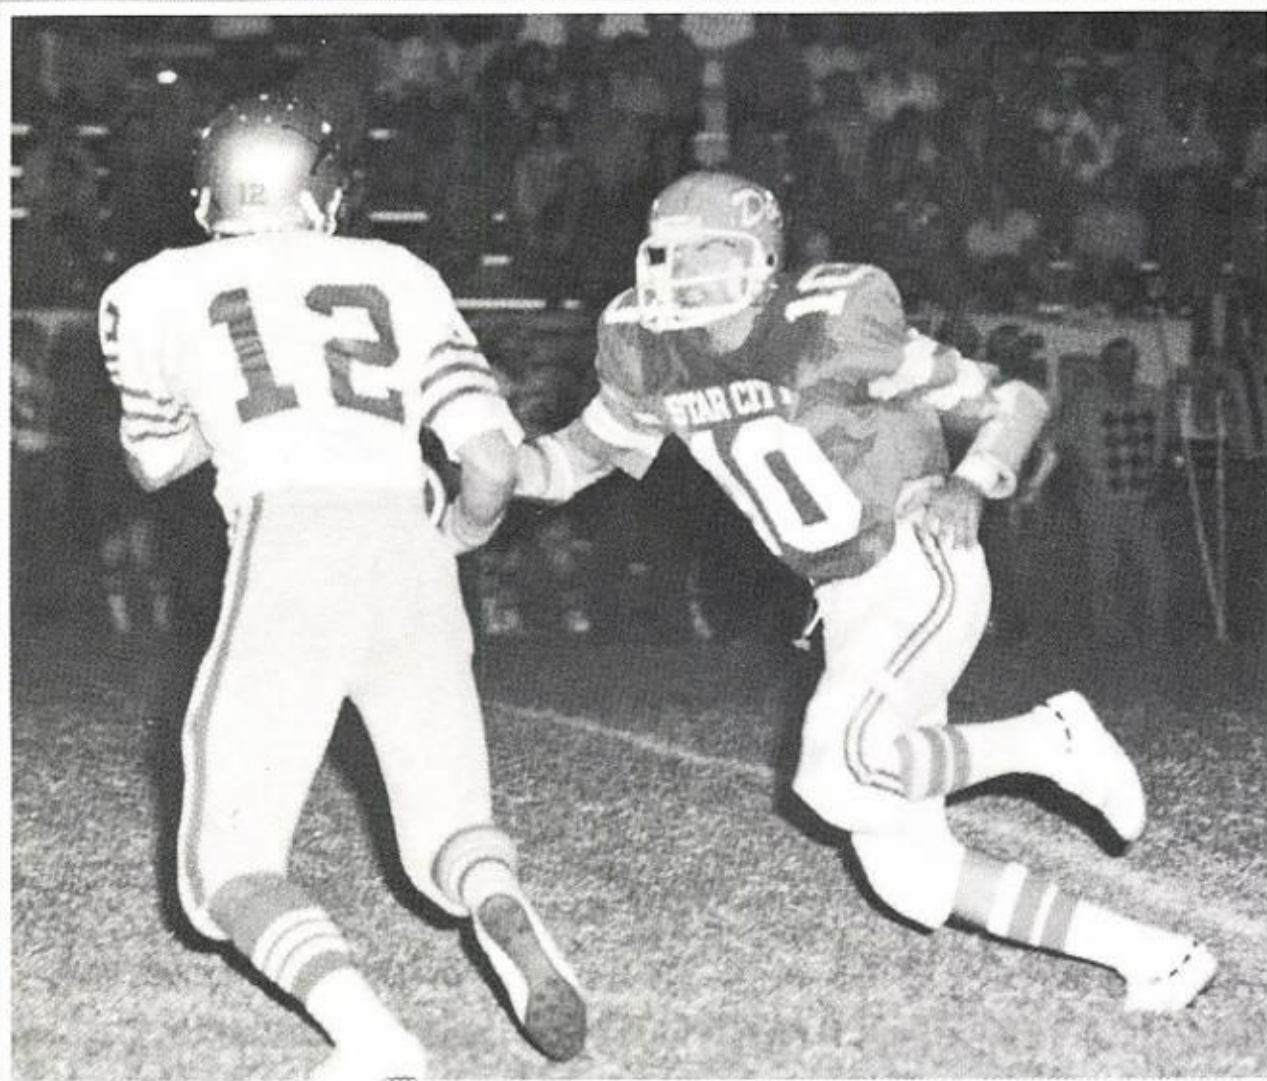

The tough Bulldog defense puts a heavy rush on the Hamburg Lions.

Lance Gasaway (#27) shows a Eudora defender how to catch a pass.

Jimmy Dreher (#10) pursues the Lions' quarterback.

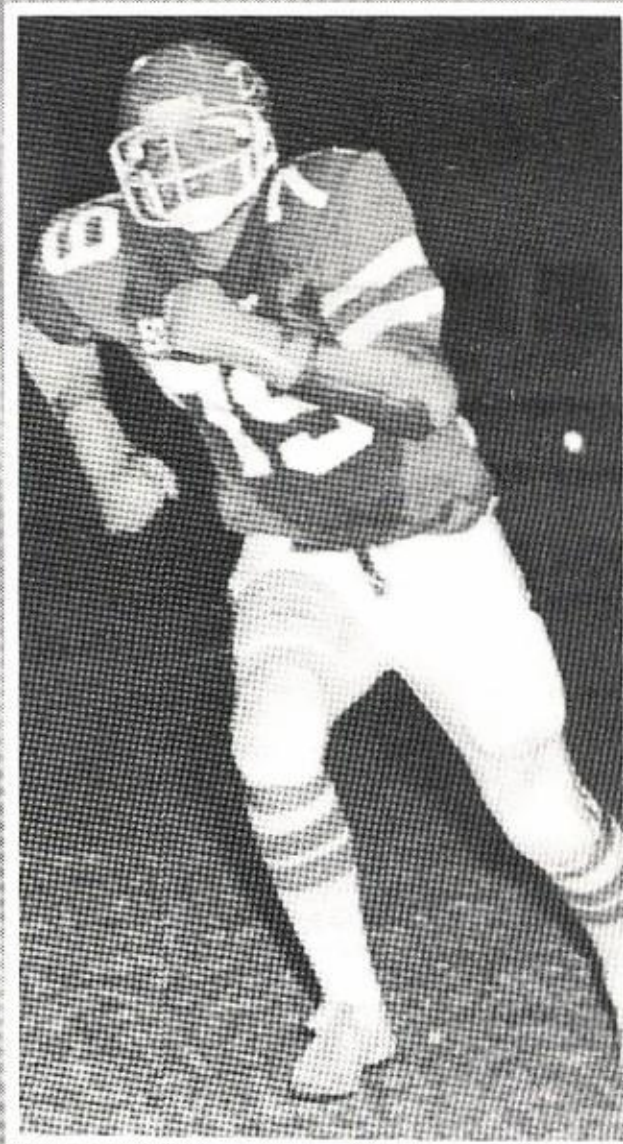

Sandy Burns (#83) puts his "foot" into the ball.

Todd Knight (#55) waits for the game to start as Toby Hill puts on his kicking shoe.

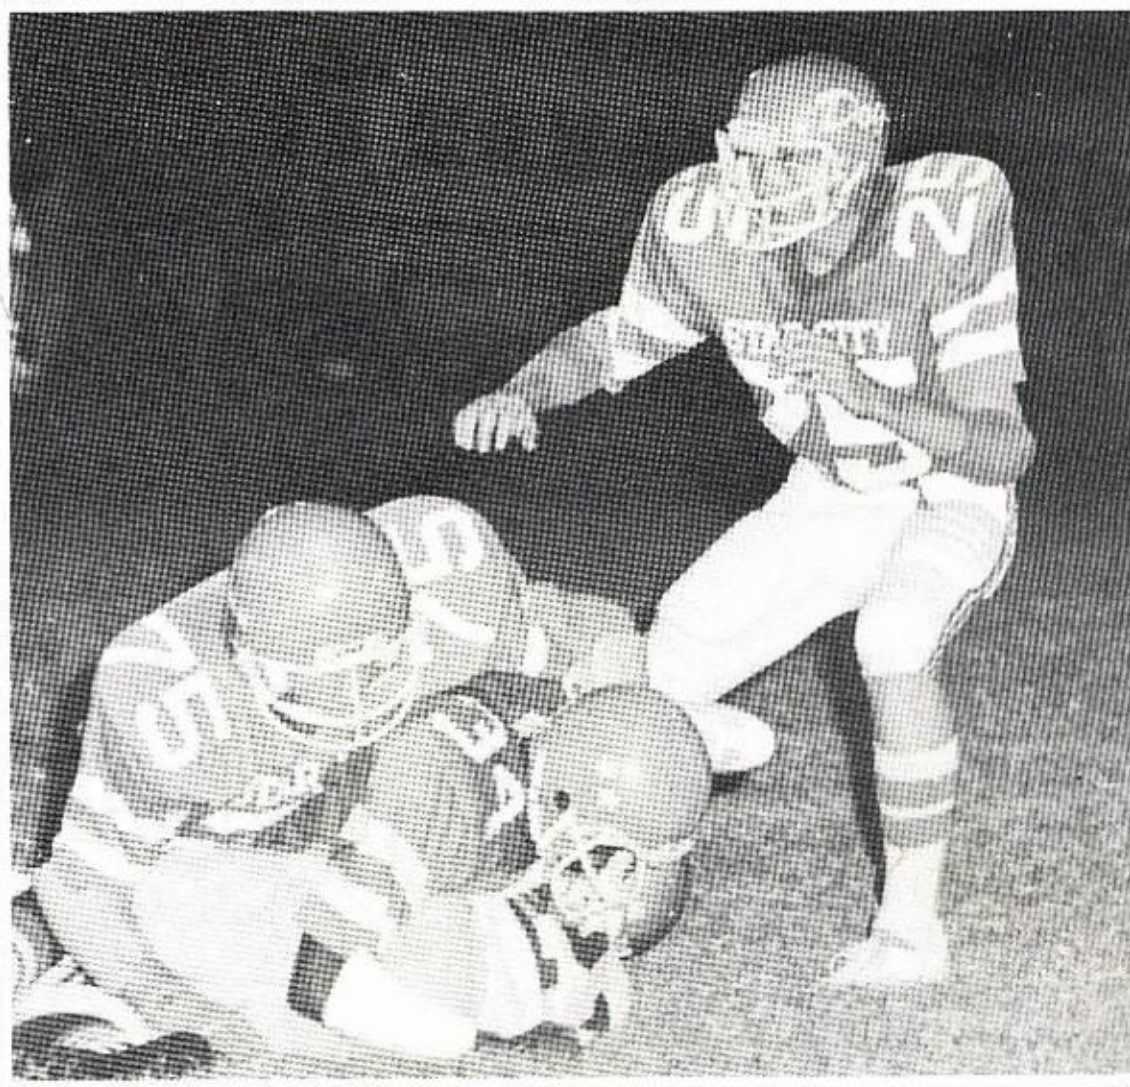

Doug Dodds (81) and Wayne Todd (74) close down on a Eudora Badger.

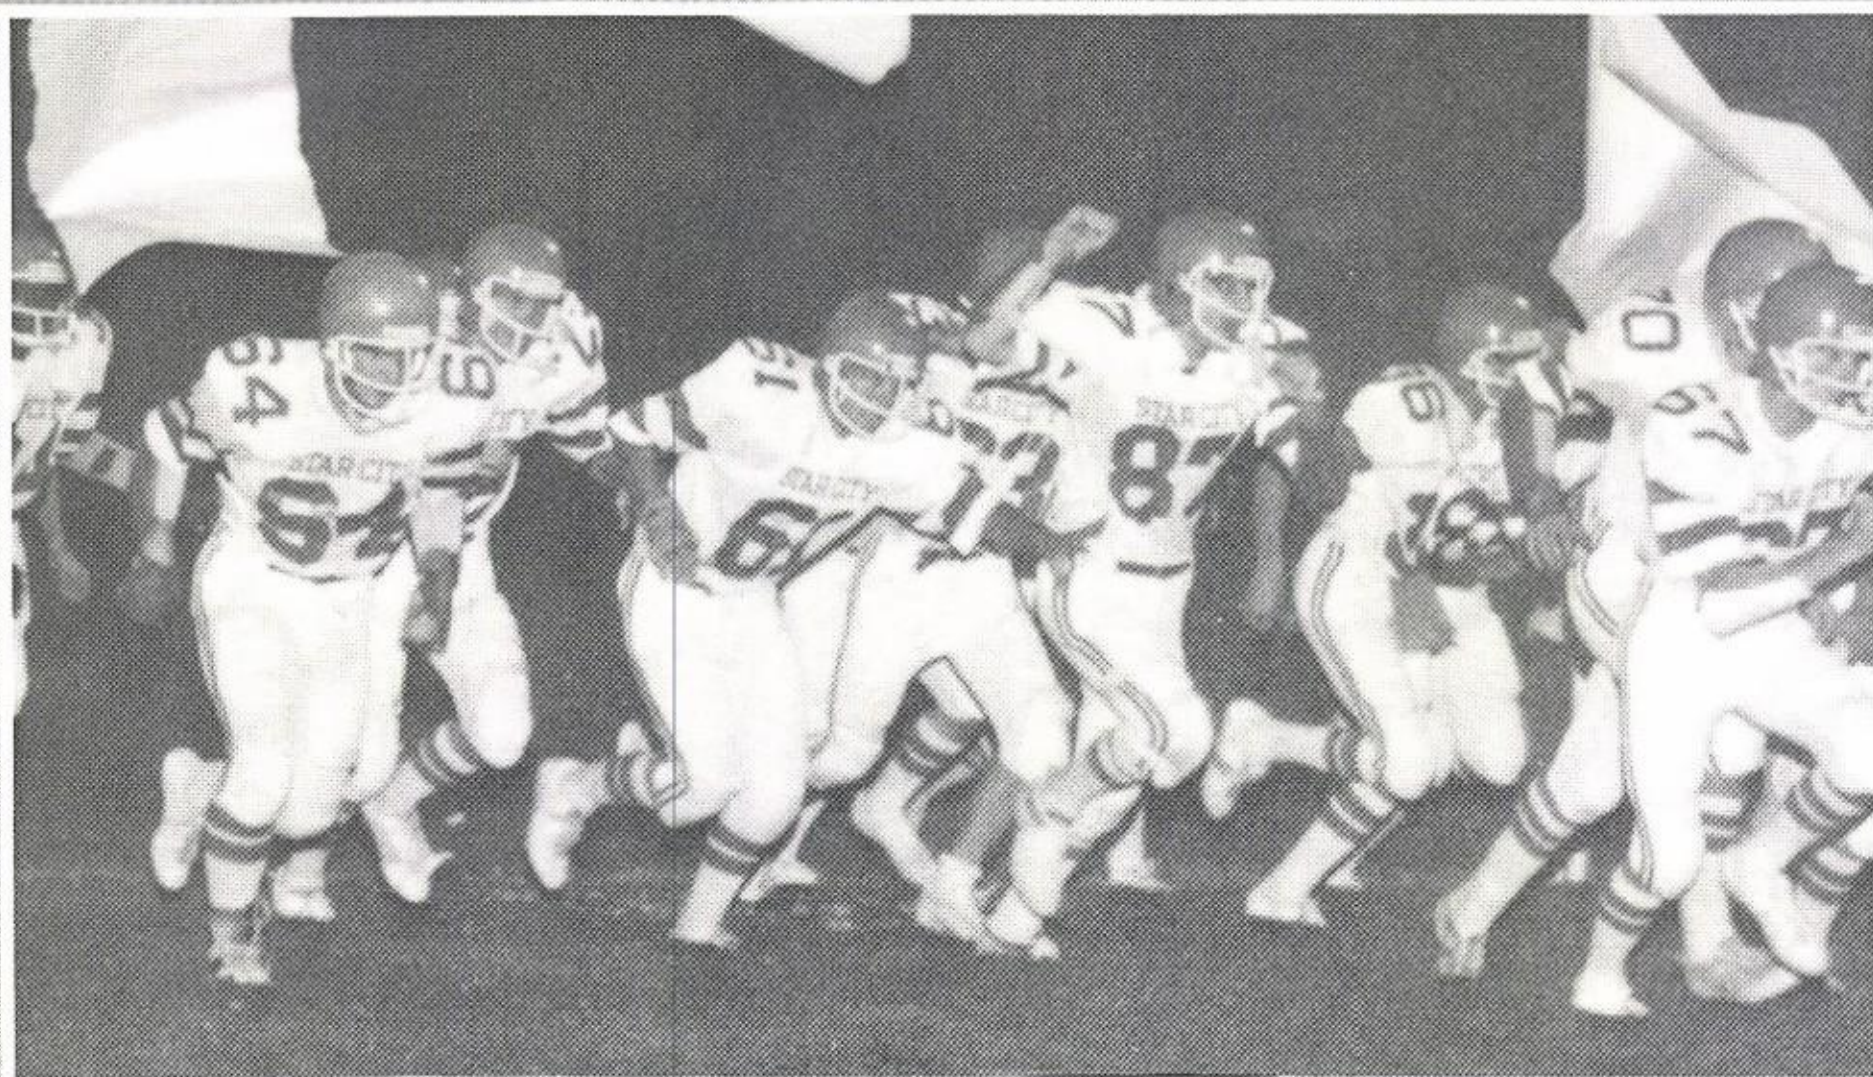

Eric Conner (79) hurries downfield to make a block.

Steve Chatham (72) prepares to lower the boom on a Hamburg running back.

Keith Lee (34) and Marty Ryall (75) stop a Hamburg Lion as Bentley Matthews (25) looks on.

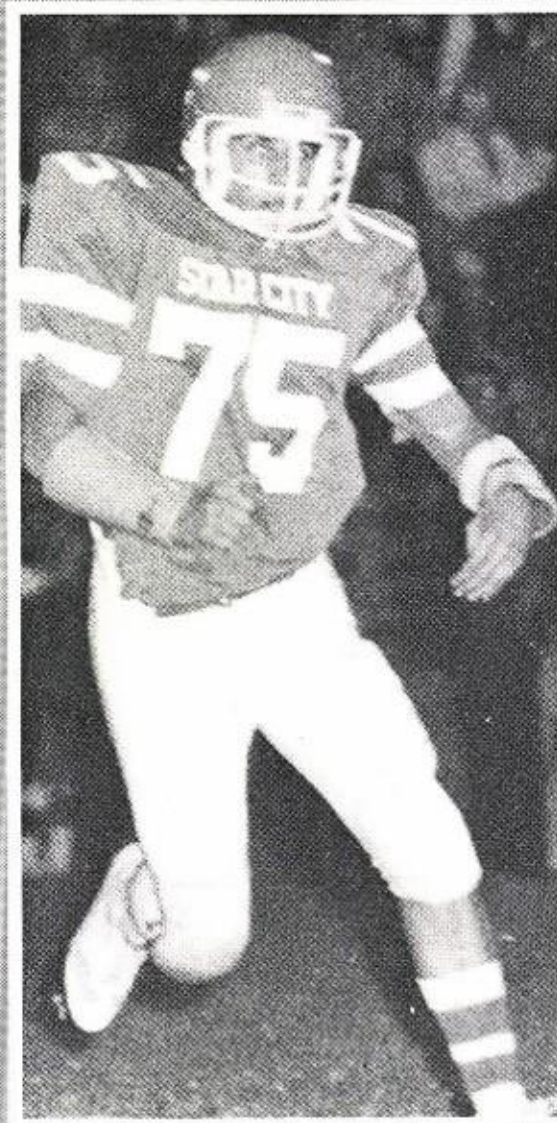

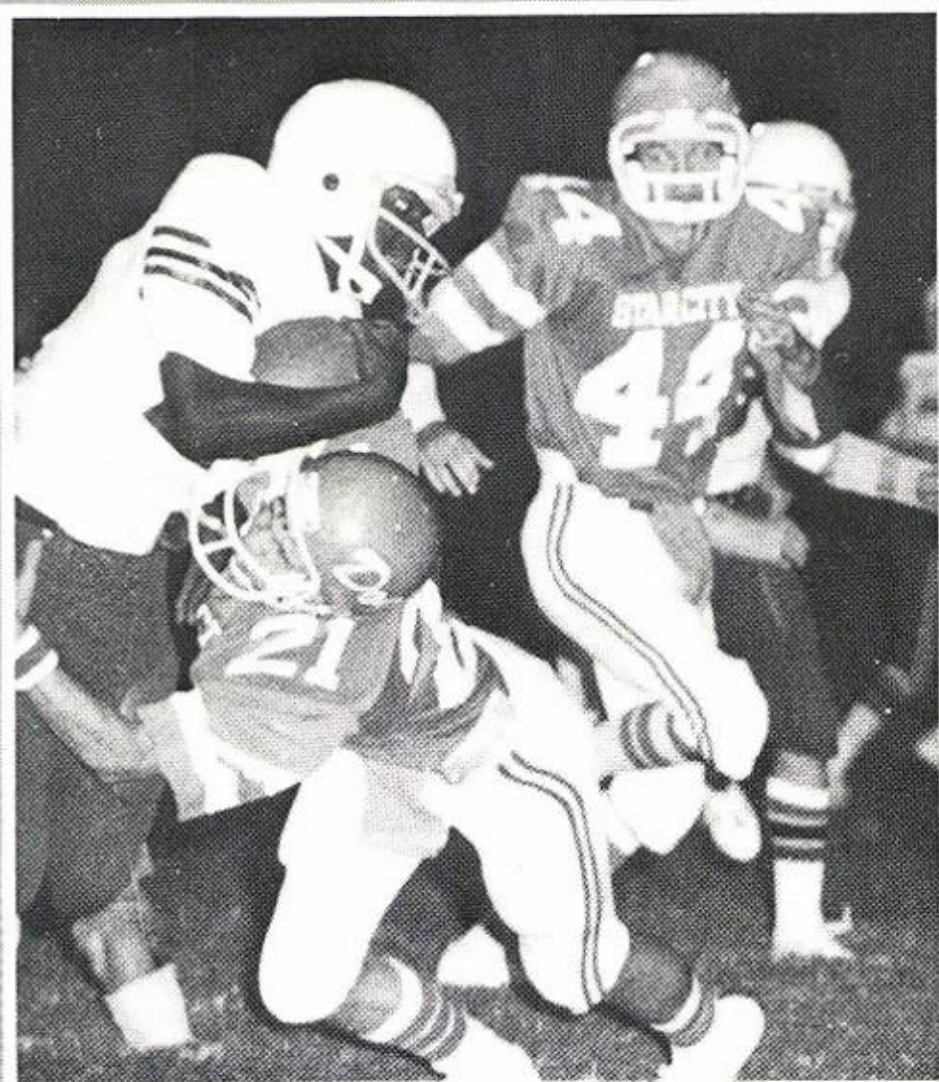

Toby Hill (64), Bentley Matthews (25), Craig Henley (61), and Harvey Owen (87) lead the Bulldogs onto the field at Monticello.

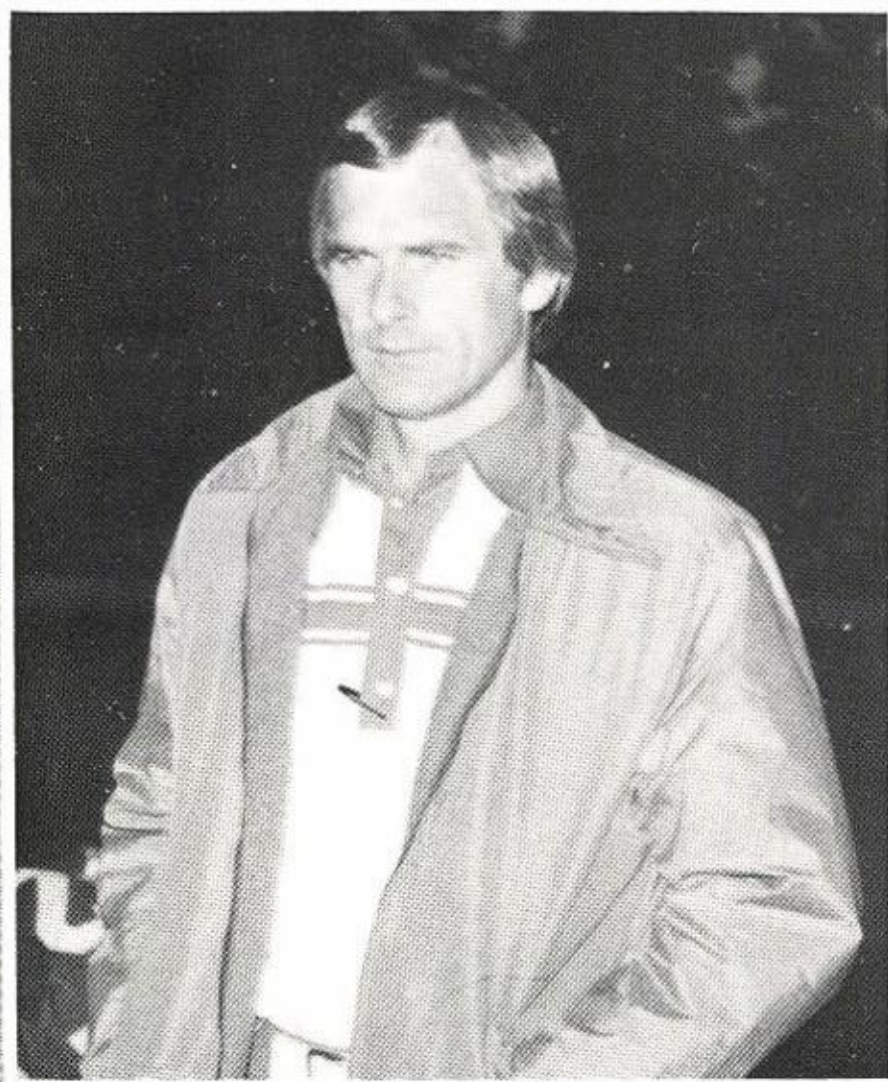

Marty Ryall (75) and Greg White (68) throw a double-team block to protect their quarterback.

Marty Ryall (75) drops back to cover for a pass.

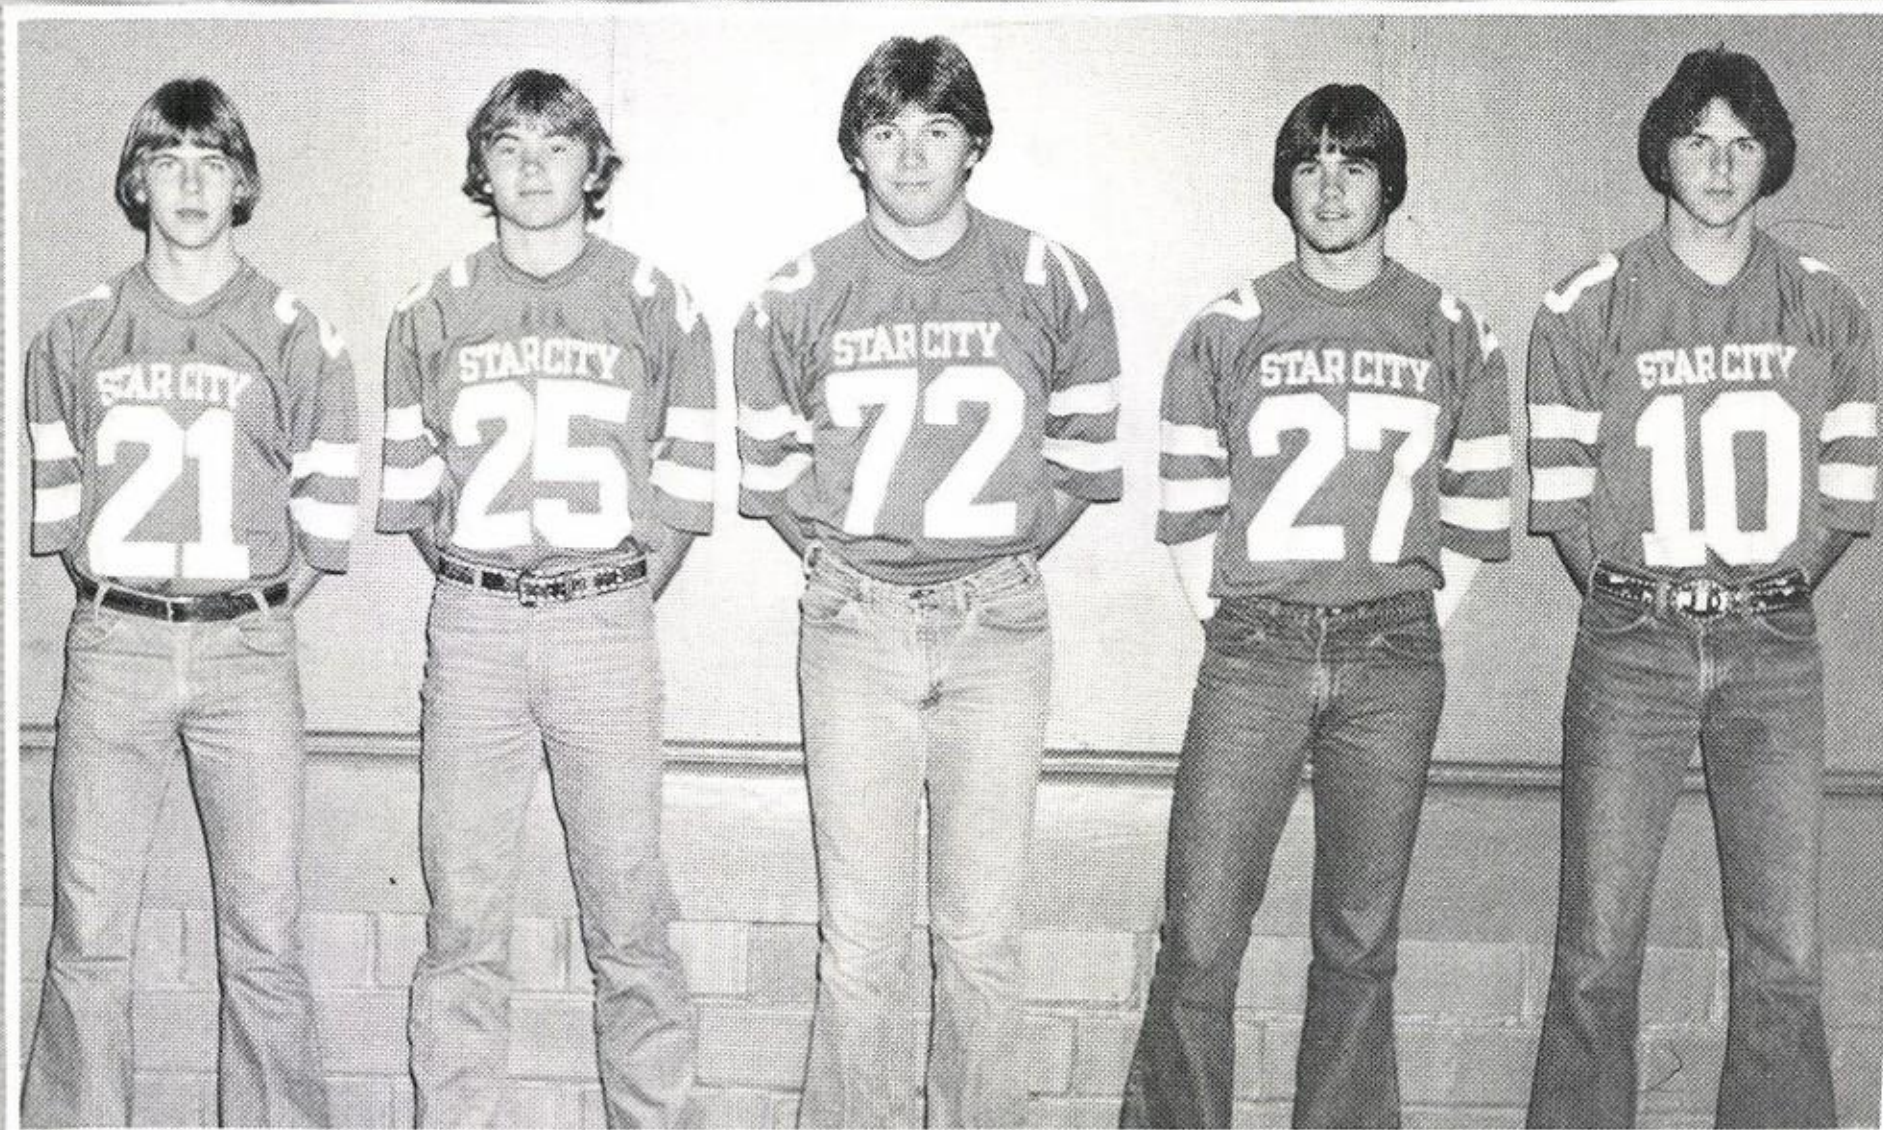

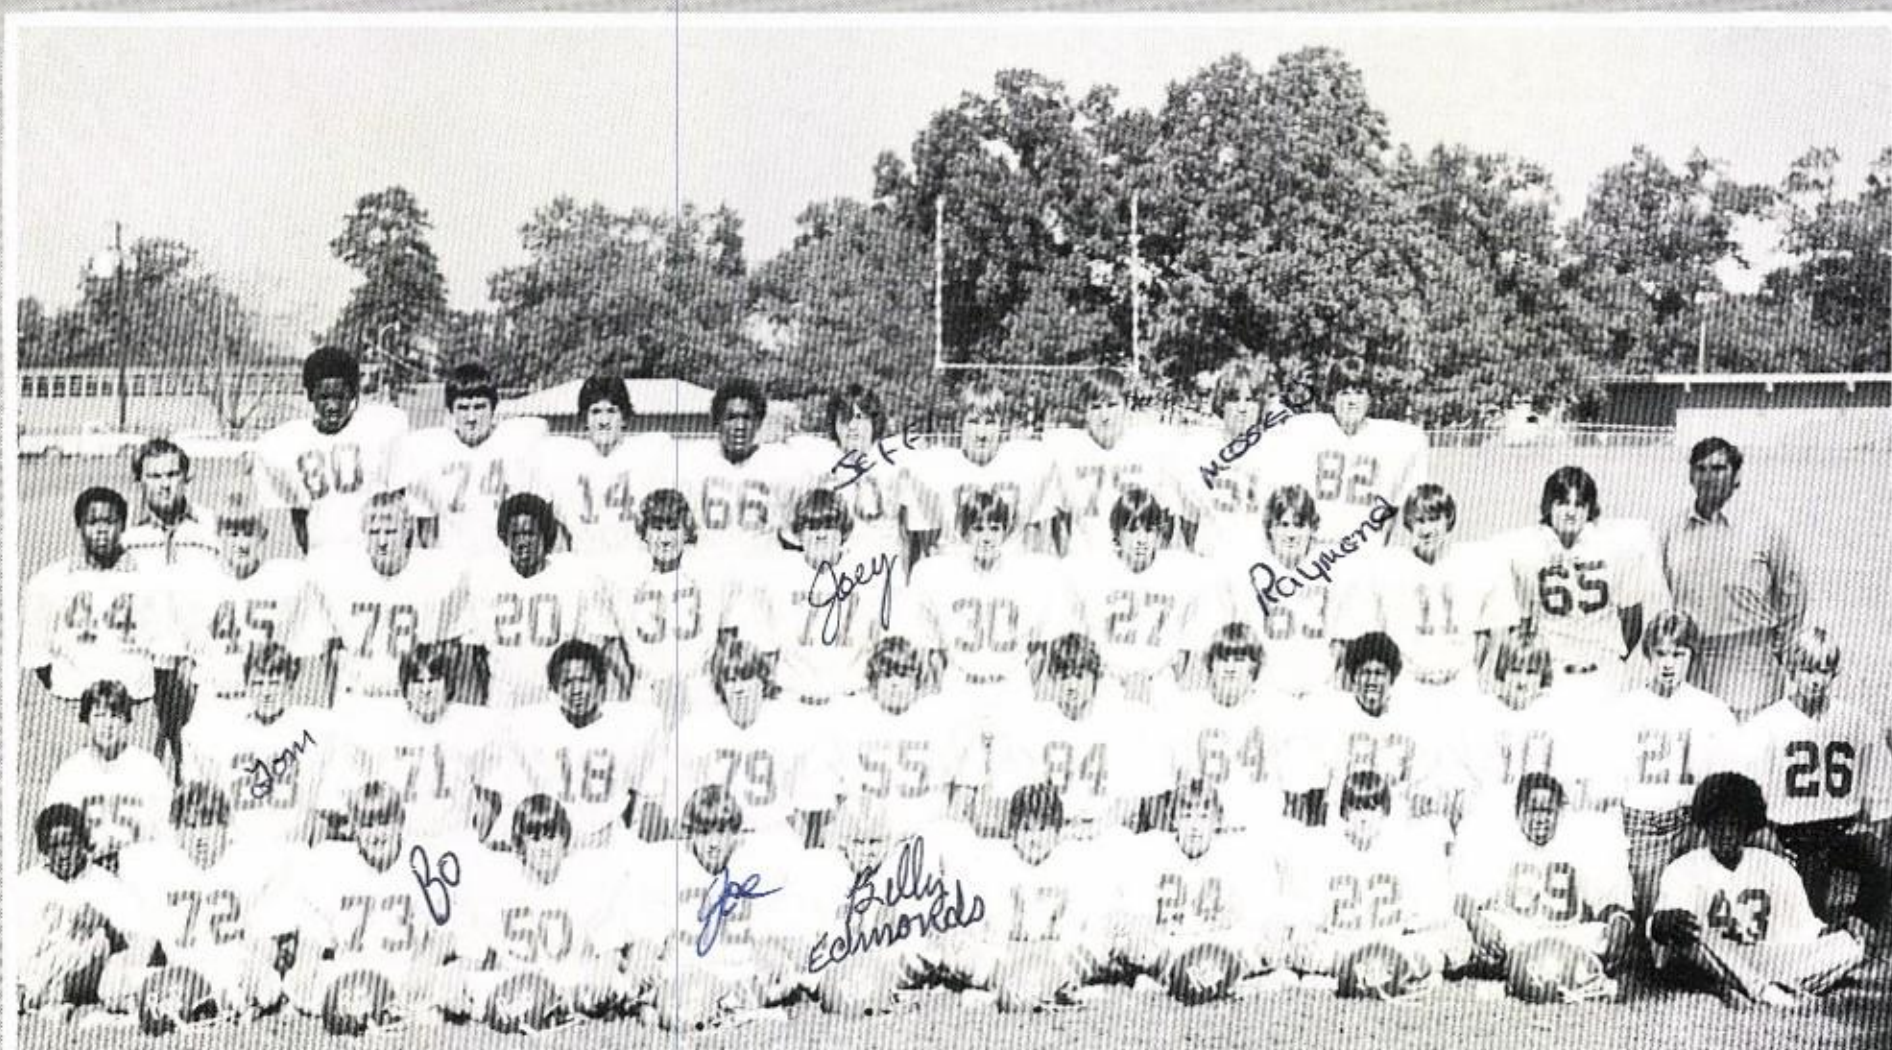

John Dreher (21) powders a Fordyce running back as Cliff Blasingame (44) tries to help.

Head Coach Charlie Baggett was selected as Outstanding Coach in 8AA Conference.

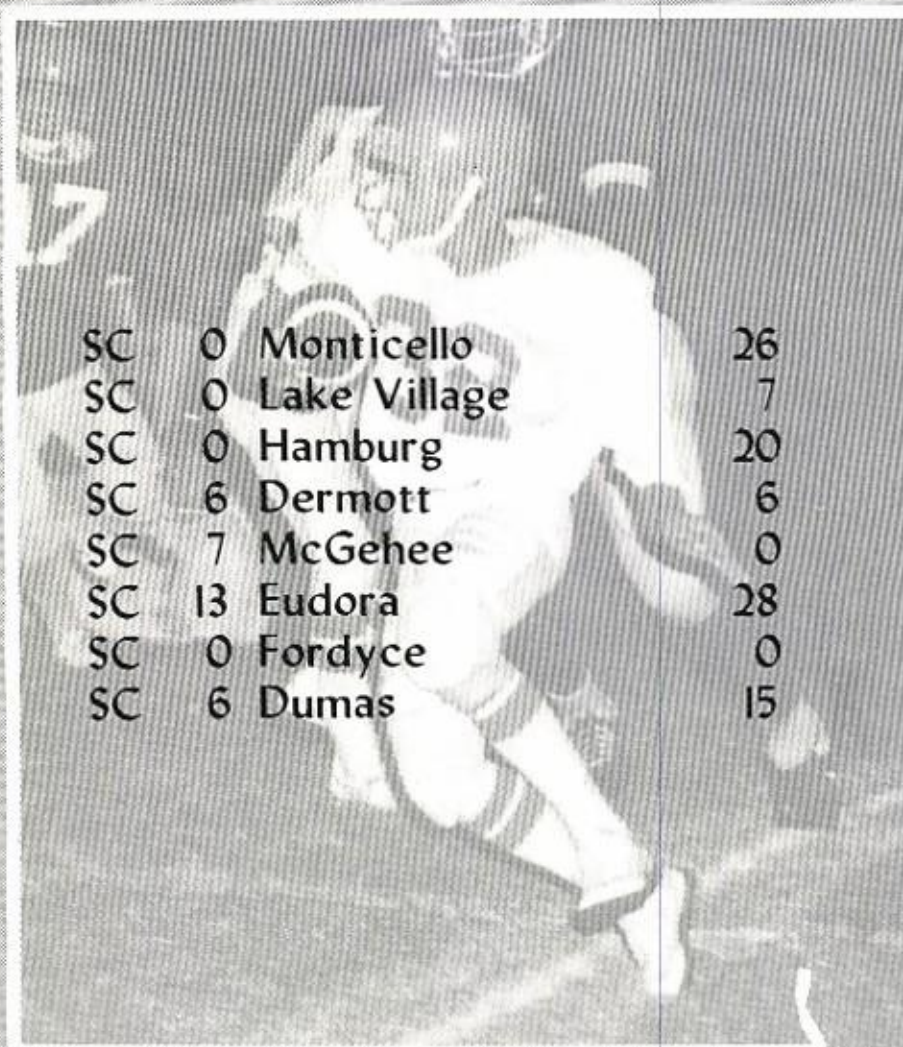

Five Bulldogs were selected for the 8AA All-District team, they were (from left) John Dreher, Bentley Matthews, Steve Chatham, Lance Gasaway, and Jimmy Dreher.

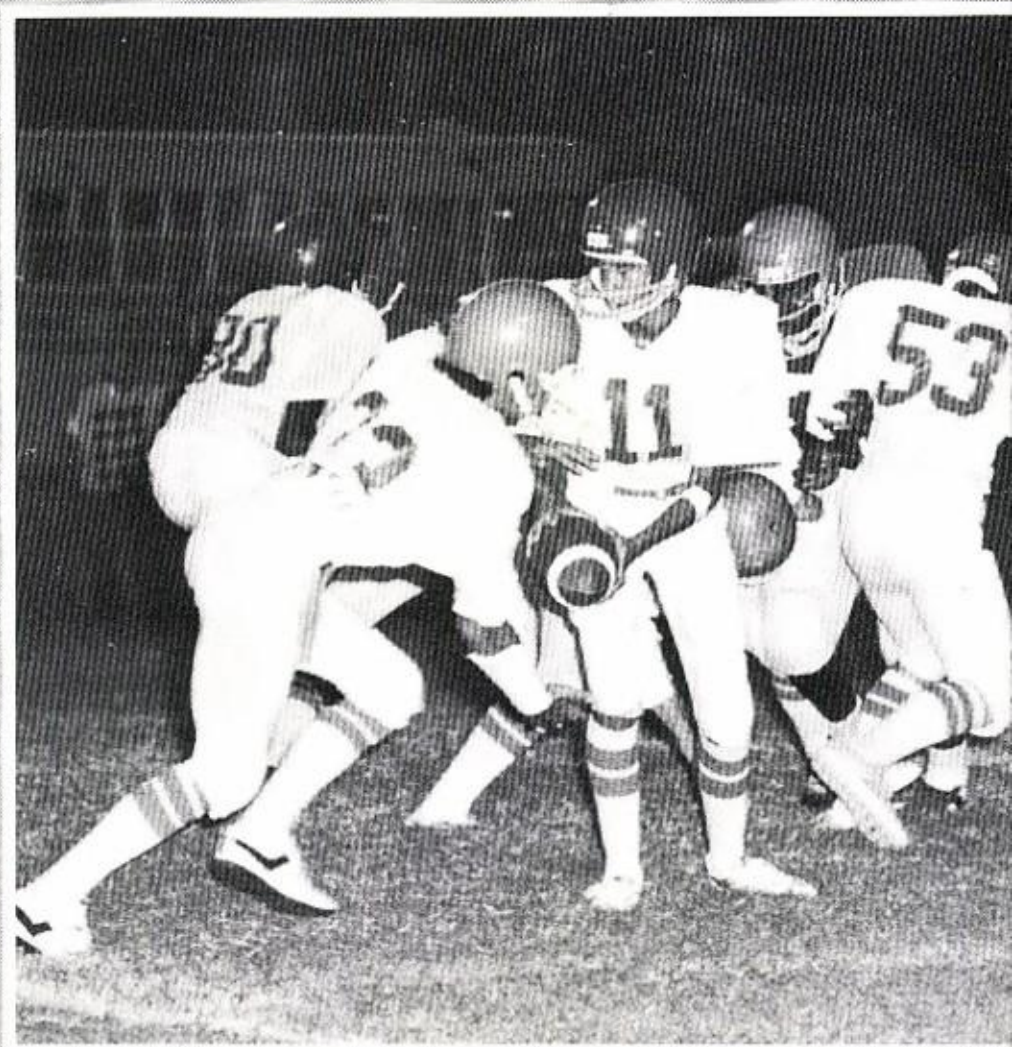

(top row) Coach Doug Caldwell, Steve Rochelle, John Ryker, Adam Trout, Veo Darrough, Jeff Bloomfield, Mike Barrett, John Van Duren, Massen Via, and Brad Gardner. (2nd row) Tommy Briggs, Morris Mayers, Mike Hawkins, Jerry Pruitt, Kelly Goins, Joey Hillyard, Mark Mallard, Greg Baggett, Raymond Brown, Richard Dutton, Robert McGriff, and Coach Ricky Hampton. BULLPUPS

The Star City Bullpups, under first year head coach Ricky Hampton and line coach Doug Caldwell posted a record of 1 win, 5 losses, and 2 ties. The highlight game of the year for the Bullpups was the victory over McGehee. The Pups managed to tie both Dermott and Fordyce in two hard-fought games. In both victory and defeat, the Bullpups fought courageously throughout the year.

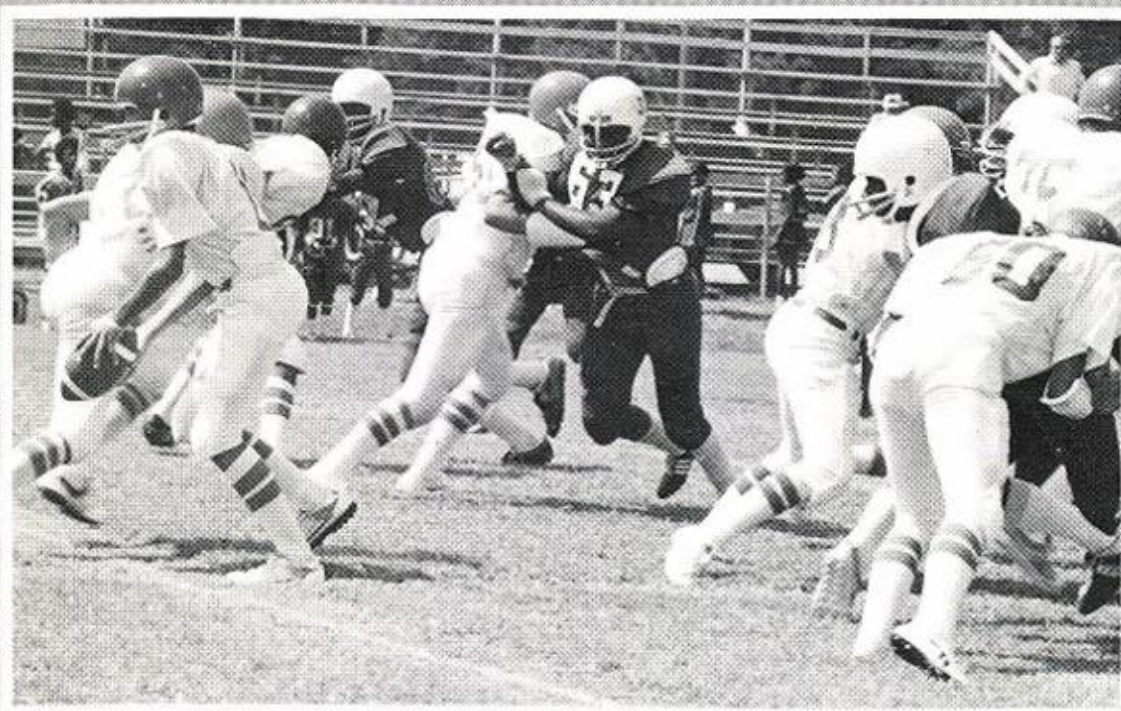

Adam Trout (14), Greg Baggett, and Robert McGriff wrap up a Monticello running back as Mike Barrett (88) and Veo Darrough (66) hurry to help.

Morris Mayers (53) and Mike Barrett put the crunch on an opposing ballcarrier as John Van Duren looks on.

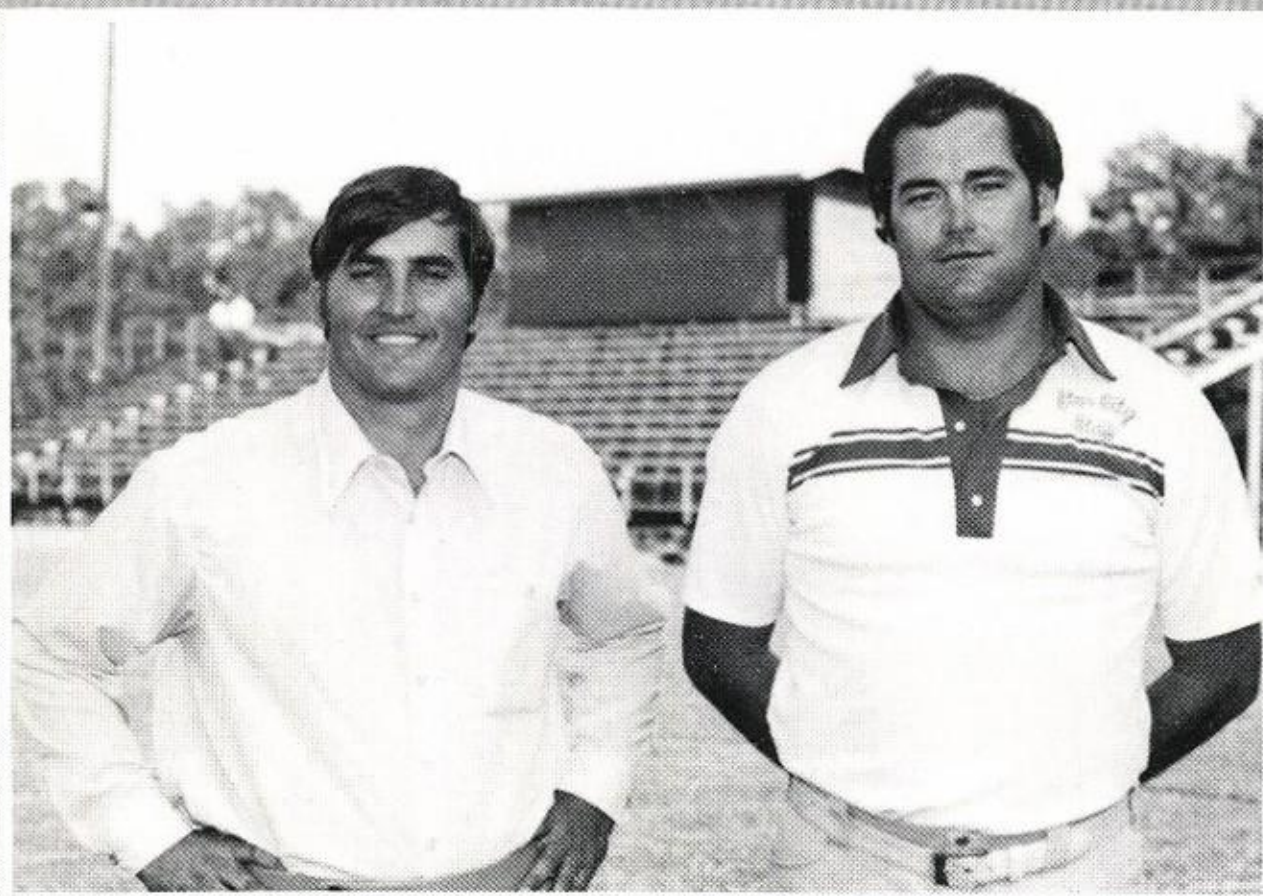

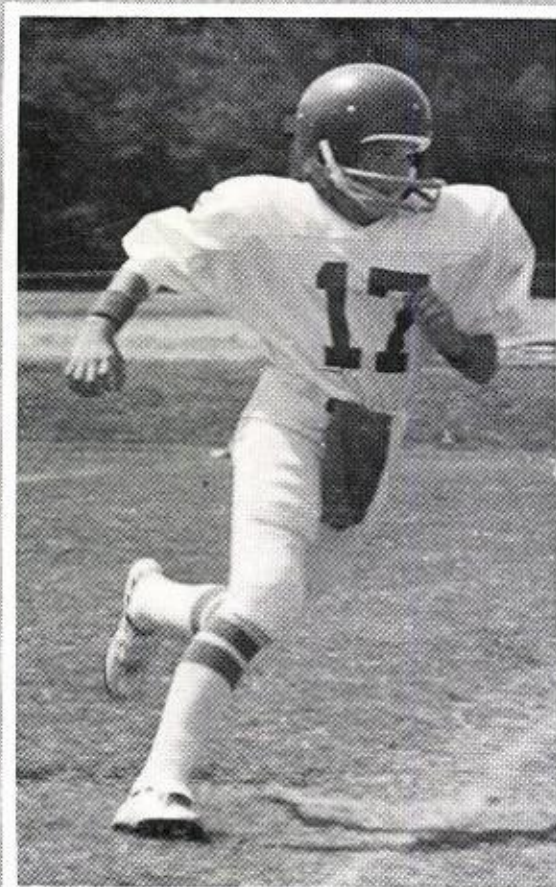

John VanDuren (75), Robert McGriff (65), and Steve Rochelle (80) pursue a Lake Village running back.

SENIOR CHEERLEADERS

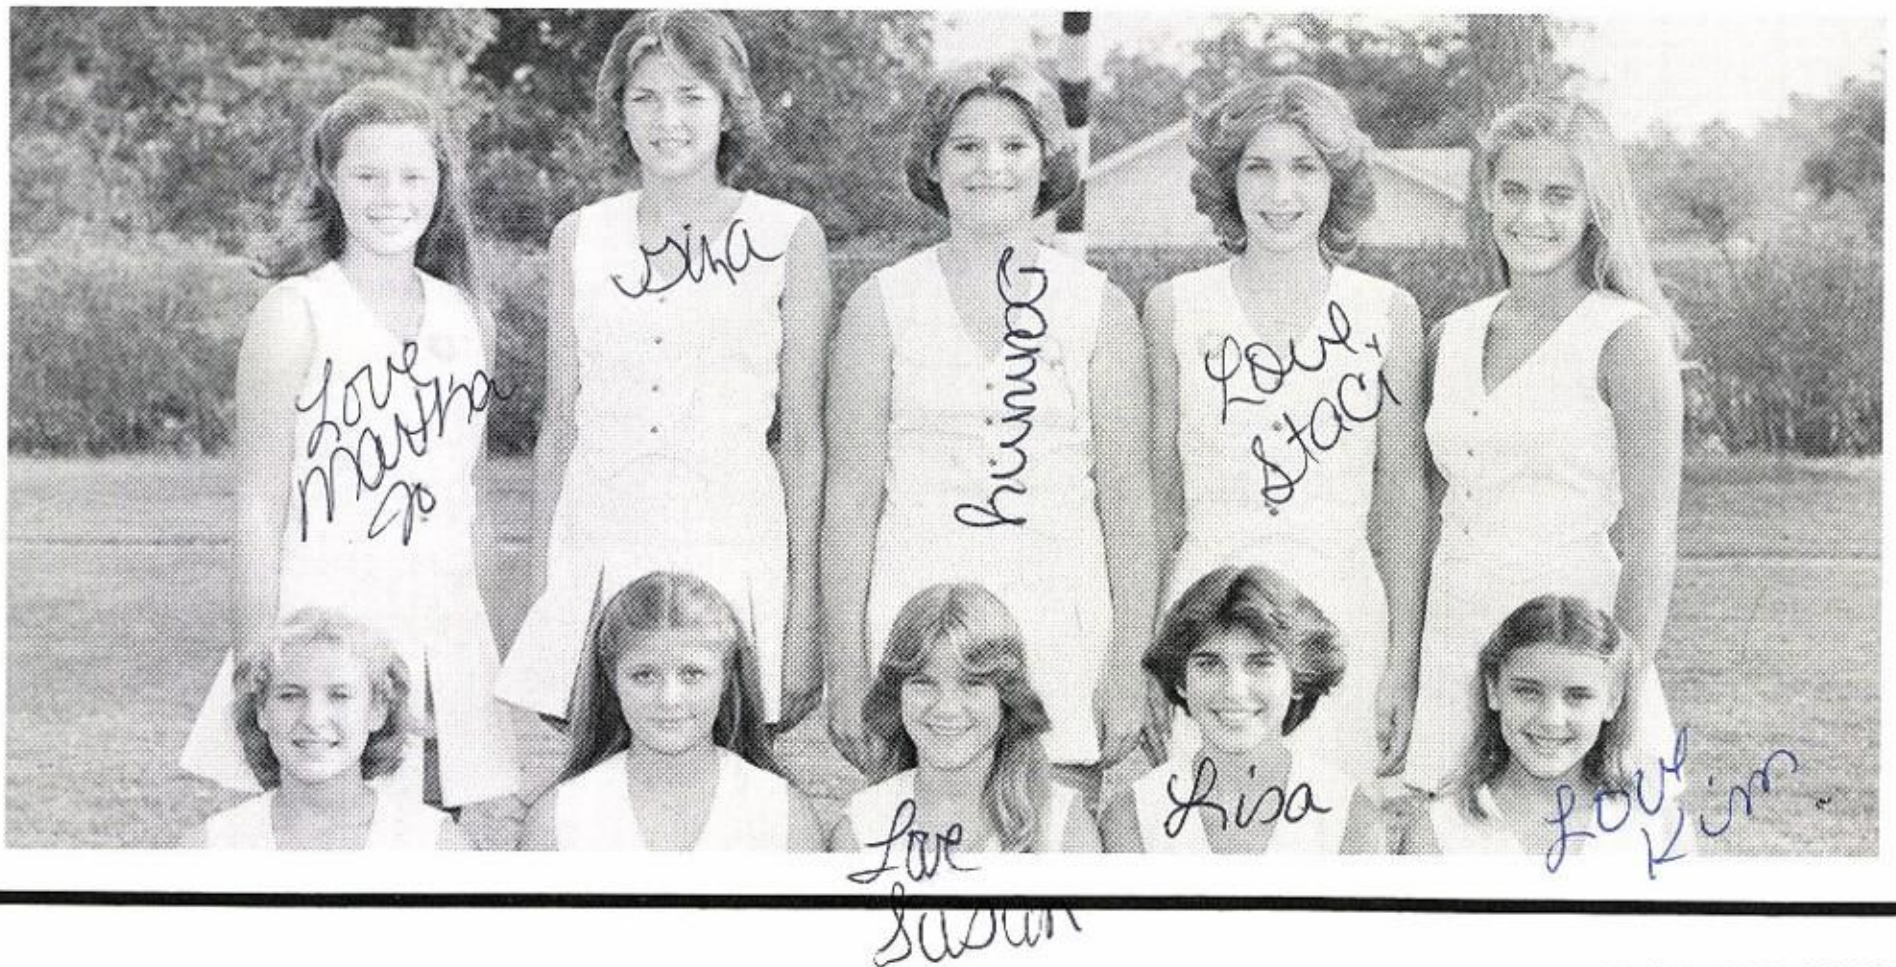

Generating spirit, attending camp at HSU, long hours of practice, learning pom-pom routines, conducting pep assemblies, painting signs, and perfecting cheers, were just a part of the duties of the 1980-81 Sr. Cheerleaders, which consisted of 2 Seniors, 4 Juniors, and 6 Sophomores. A new addition this year was a Bulldog Mascot. Many thanks to Miss Ann Moore for sponsoring the cheerleaders.

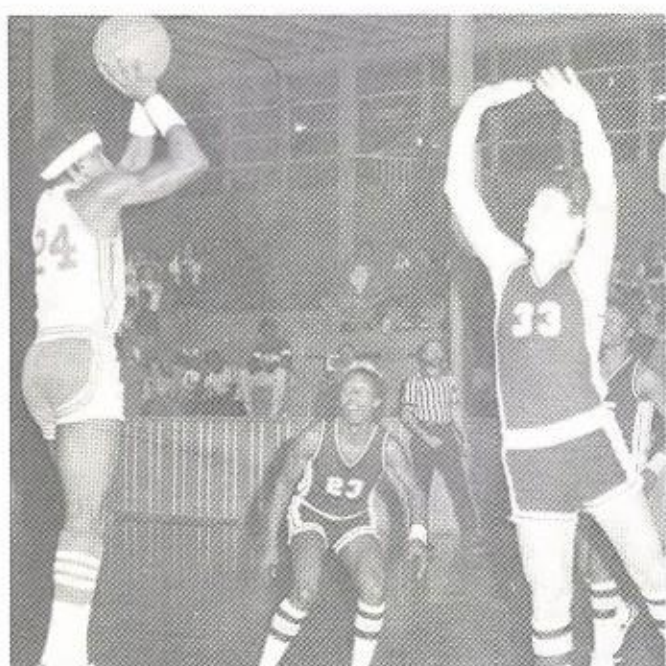

They are: (Kneeling) Jymme Carrington, Jo Lynne Frizzell, Tammy Sullivan, Ann Harris, Stephanie Aldridge and Lisa Owen. (Standing) Sheila Hilton, Robin Fish, Debbie Linzy, Robin Trout, Mascot, Janelle Shepherd, Kim Curry, and Lisa Finley.

THE 1980-81 BOARD OF EDUCATION

LEFT TO RIGHT: Jack Grayson, D. F. Womack, Grover Brockman, Roland Conner, Robert Trout, and Billy Summerford.

BOARD OF EDUCATION

At a time when school districts need the support of the community more than ever, we find that this community has been supportive of its school board on almost every issue. The reasons are obvious. Patrons of the district can see and feel that its school board is worthy of its support and cooperation because of board members' leadership, interest, dedication, progressive attitude and unbiased concerns for the school children of this district. The community has a right to expect these characteristics of its board. As long as this cooperative spirit exists among staff, administrators, board members and the community, we can be sure that the education of the youth of this district will continue to be the focal point.

D.F. WOMACK

SUPERINTENDENT

As society changes, the role of the school superintendent must change to meet the challenges it presents. The Star City school system is fortunate to have at its helm a man with the professional ability and interest to handle the ever-changing demands of his job.

D. F. Womack is now in his seventh year as school superintendent. Although he has experienced many changes in education in his tenure here, most of them have been good. Some of the most significant challenges, however, have been and will continue to be in the area of school finance. With the cut in state funds, it has been difficult to finance and support all the programs that would be desirable for the school district or raise salaries to the level that would be more acceptable.

Another area of concern is teacher accountability. The general public is more concerned than ever before that its tax money is productive within school systems. With the decrease in school drop-outs occurring (and this is a very desirable by-product), it is sometimes difficult for the public to see that more students are in school than ever before and that, although every student may not be able to read well, the percentage of students who cannot read is much lower today than in the history of this nation.

Bridging the gaps between school and community in these and other areas is just one of the many roles played by a school superintendent — a role that we feel our superintendent plays well.

He is serving as president of the Arkansas Association of Educational Administrators this year. This is one of the highest honors to be achieved in school administration in Arkansas because the AAEA is an umbrella organization composed of Arkansas Association of School Administrators, Secondary Principals, Elementary Principals, Arkansas Association of School Business Officials, and Coordinators of Special Education.

Mr. Womack continues to serve on the Teacher Certification Committee of the Department of Education and is a member of the Arkansas Association of Professional Educators, American Association of School Administrators, Southeast Arkansas School Study Council, American Legion and Star City Chamber of Commerce. He was recently appointed to the National Americanism Committee of the American Legion. He is state director for Boy's State, a 32nd degree Mason, and an active member of the United Methodist Church in Star City. He has served for the past several years as the Arkansas delegate to the AASA Meeting.

ADMINISTRATION

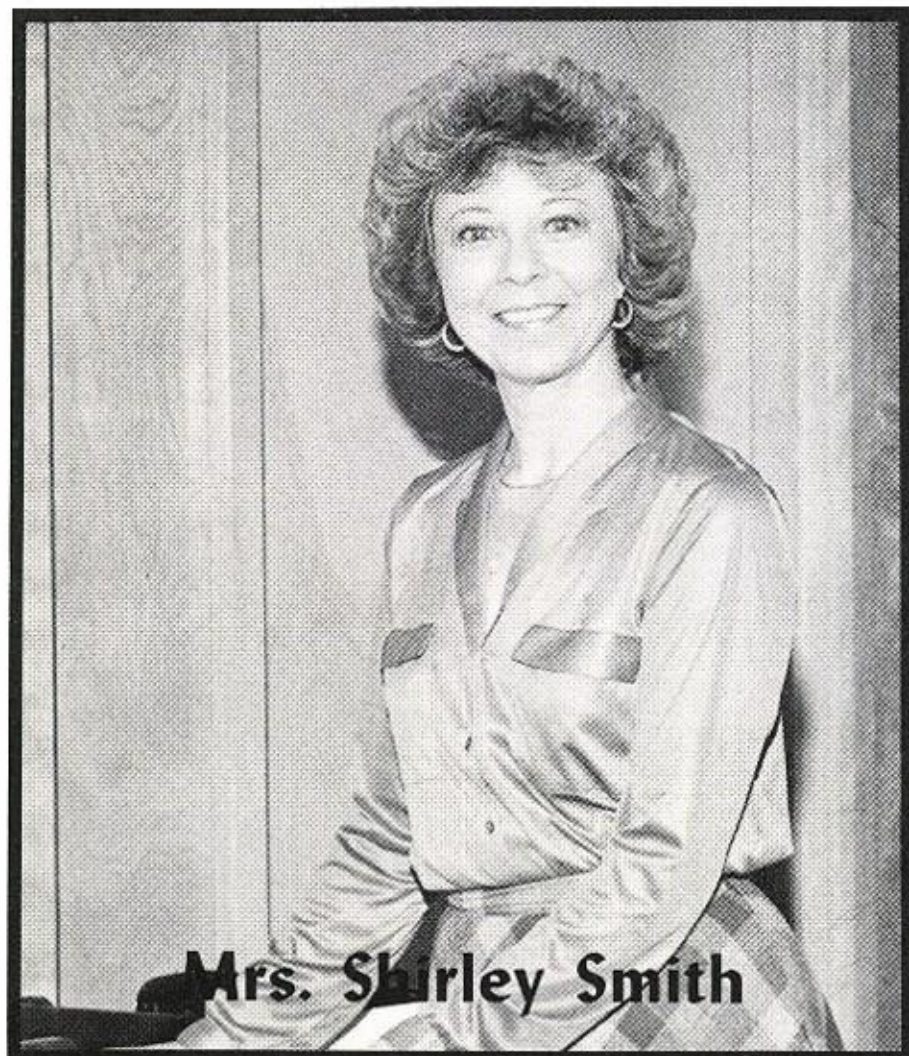

Mrs. Aileen Campbell

Aileen Campbell's contribution to the success of the Star City school system lies in school finance. She serves as district treasurer, business manager, Title I coordinator and secretary to the superintendent. She has served in an administrative capacity for 13 years.

She holds both a bachelor's and master's degree in business education from UAM and HSU, respectively. She is a board member of the Arkansas School Business Officials and a member of the Arkansas Association of Educational Administrators, American School Business Officials, Association of Professional Educators, Arkansas Association of School Administrators, and the Star City Chamber of Commerce. She is active in her local church affiliation.

Assisting Mrs. Campbell in the administrative office are: Joyce McBryde and Shirley Smith. Mrs. McBryde is an administrative aide-receptionist-bookkeeper for the district. She is a graduate of Dumas High School and of Capital City Business School.

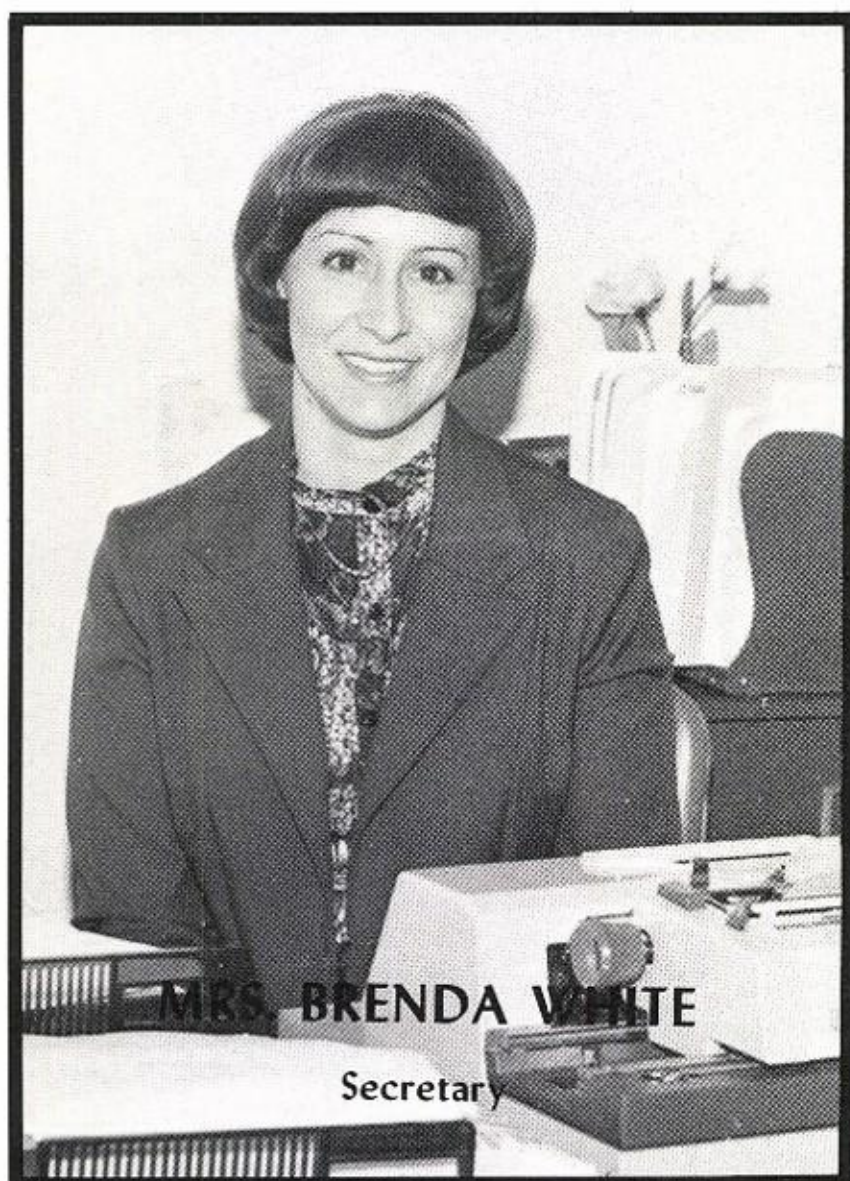

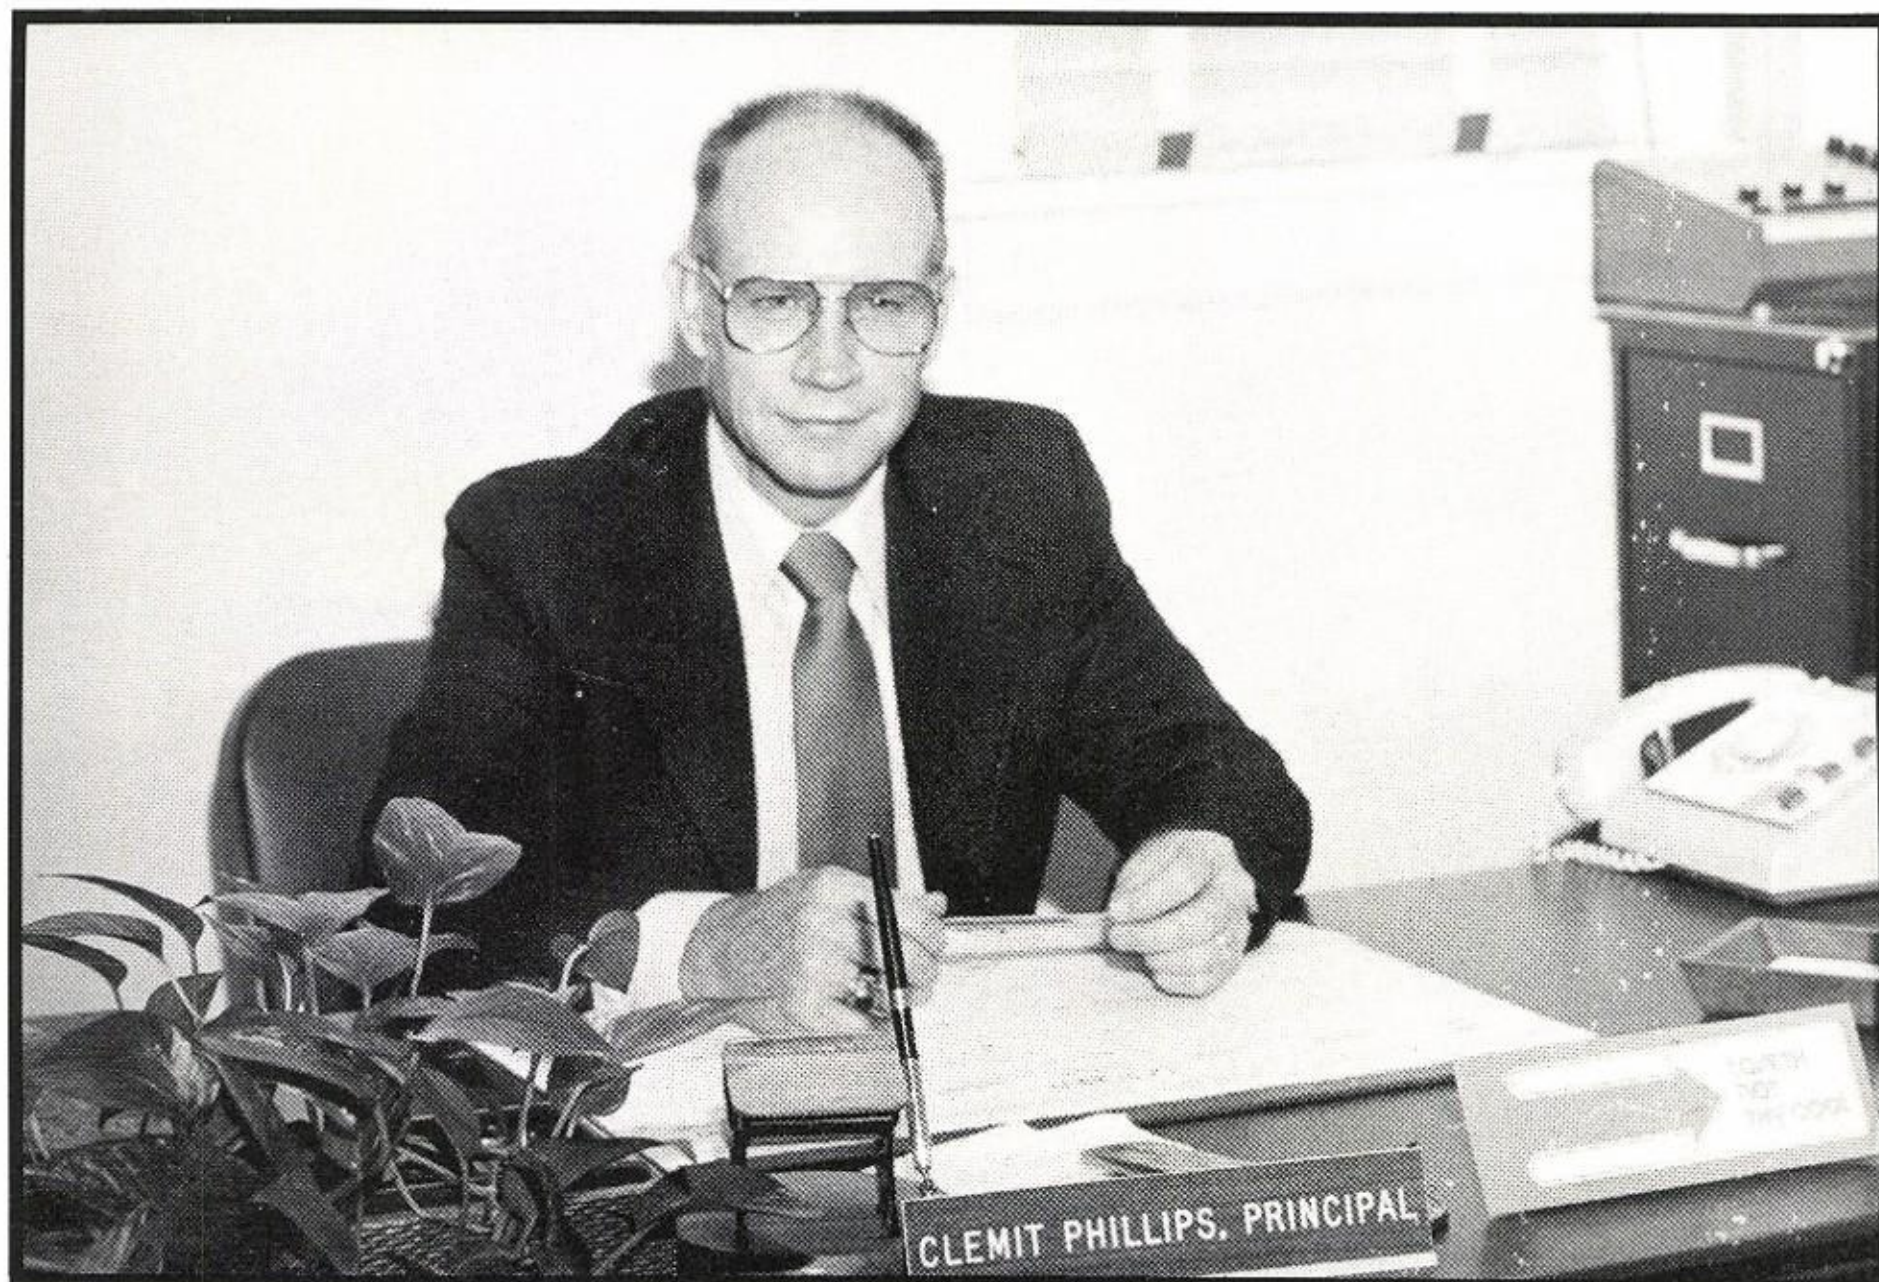

Mrs. Smith is parent coordinator, migrant records clerk and an assistant in federal programs. She is a graduate of Wallace County High School in Sharon Springs, Kansas, attended Fort Hays Kansas State College for a year, and is presently enrolled in additional studies in business at UAM.

Mrs. Shirley Smith

Mrs. Joyce McBryde

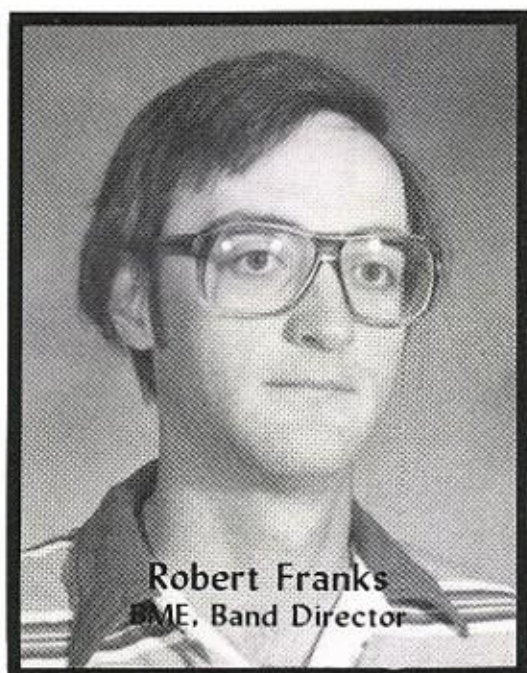

MRS. BRENDA WHITE

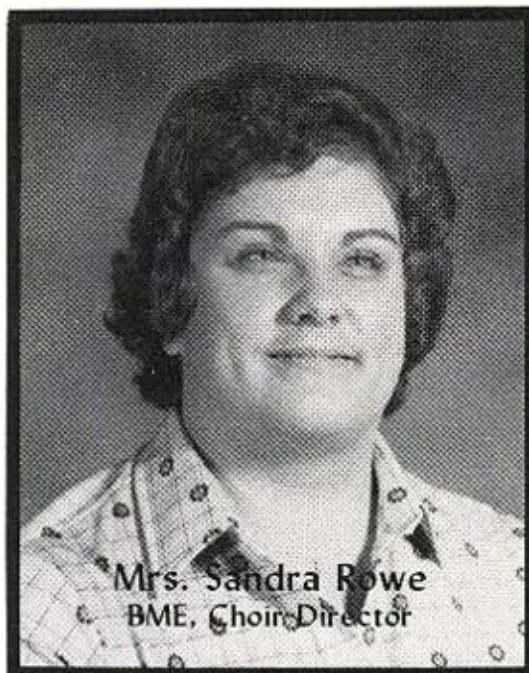

Secretary

Secondary education is provided for an enrollment of 356 students in grades 9-12 by a staff of 25 teachers and 4 aides, all of whom work under the able supervision of Principal Clemit Phillips. Serving as principal since 1968, Mr. Phillips holds a BSE and MSE degree from Henderson State University and has completed additional courses at U of A in Fayetteville. He is a member of Arkansas Association of Professional Educators, Arkansas Association of Educational Administrators, Arkansas Association of Secondary School Principals, National Association of Secondary School Principals and is a member of the Arkansas State Board of the North Central Association. He is a member of the American Legion and serves on the Administrative Board of the First United Methodist Church of Star City.

MIDDLE SCHOOL ADMINISTRATION

MRS. JOLEAN O'NEAL
Secretary

The Star City Middle School accommodates students in grades six through eight, and helps them make a smoother transition from elementary to high school.

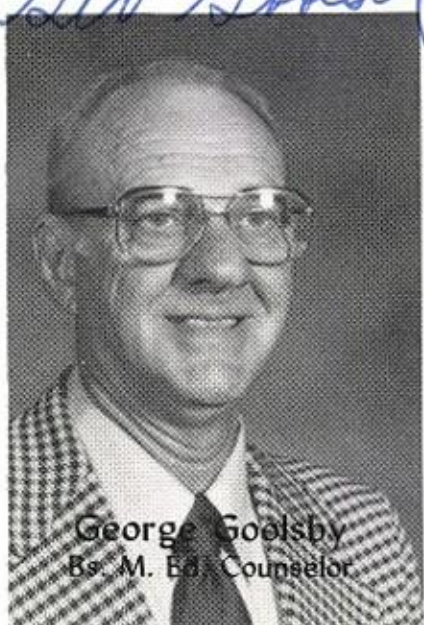

Serving as principal of the Middle School is Jimmy Moore. He was appointed principal in 1977. Mr. Moore holds membership in the Arkansas Association of Administrators, The Arkansas Association of Professional Educators, and The National Association of Secondary School Principals.

Mr. Moore keeps busy planning the curriculum, handling discipline problems, and scheduling classes. He serves as an inspiration to all who come in contact with him. He states that he foresees improvement in all phases of the academic program. He appreciates the support and concern which the students and faculty have given him.

ELEMENTARY SCHOOL

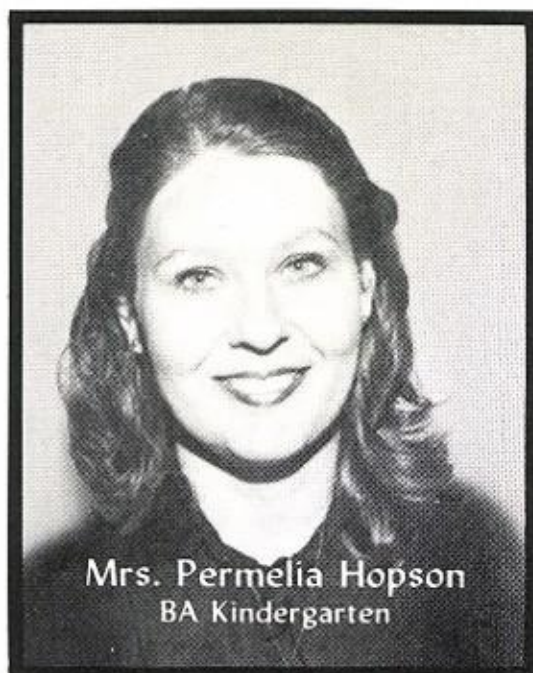

ADMINISTRATION

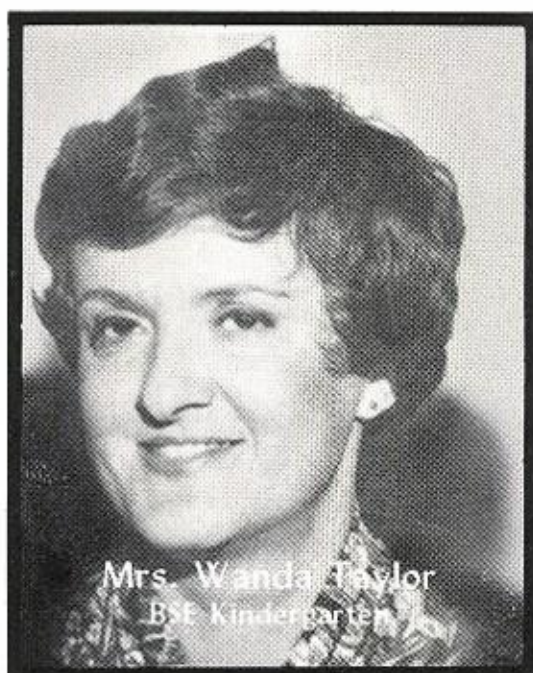

Mr. Brown has been principal at Star City Elementary School since 1955. In his years as principal, Mr. Brown has seen many changes in the students, faculty, and in education. As a member of the Arkansas Association of Elementary School Principals, Mr. Brown understands and can meet the changing needs of our school.

In April 1980 our school was admitted to membership in the North Central Association of Colleges and Schools. Membership in the North Central Association is a further commitment to maintenance of quality and excellence in our school.

The 1981 ROCKET STAFF

Being a part of the 1981 Rocket staff has been an honor to me. Working to meet our deadlines (hoping everything would turn out right) has been a lot of hard work.

A lot of extra time and effort has been put into the '81 Rocket. Working at night and during our free periods so the Rocket would be finished as soon as possible.

A very special thanks goes to Mrs. Holderfield. If it wasn't for her we never would have made it.

I will never forget, over the years to come, the fun times we had making the 1981 Rocket the best Rocket ever.

Cindy Glover

Being a member of the 1980-81 Rocket Staff has been a big honor and a lot of fun. I hope you enjoy looking at your Rocket as much as we enjoyed putting it together.

A special thanks to Mrs. Holderfield for having much patience with all of us.

Amy Grumbles

We've worked really hard on this yearbook and we put a lot of time into it. We have tried to make our book different from all the other years and I hope our efforts have paid off. I hope you enjoy this yearbook and before you criticize it please consider all the time and energy we put into it.

I'd like to thank Mr. Brown for being such a help with the pictures. If it had not been for his work and dedication we would have never met our deadlines.

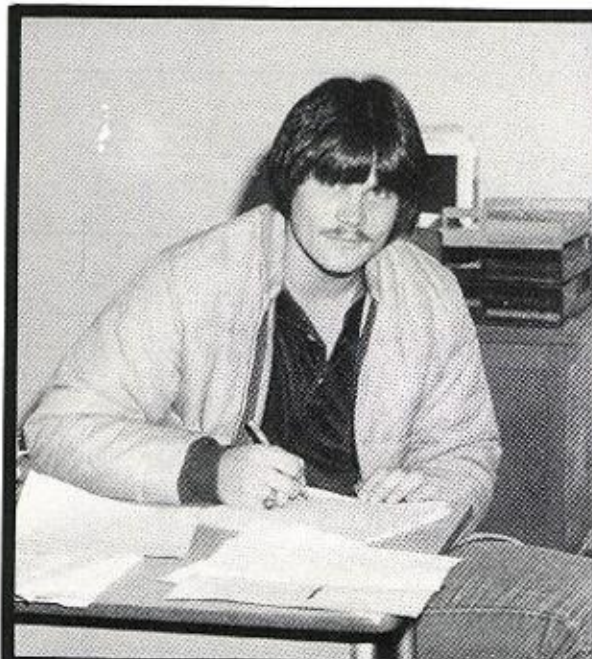

Patti Martin

Being the senior editor of the Rocket Staff this year has been a pleasurable experience for me. It gives me a good feeling inside to know that I was a part of such an important book. The memories captured in this book are very important to me now, but as time goes on I know that they will be priceless.

My thanks go to Mrs. Holderfield and to every person that had a part in the yearbook because without their hard work and patience the production of this yearbook wouldn't be possible.

Steve Morrison

This year on Rocket Staff has been an experience. I think we have learned a lot about getting along with others. Sometimes the work was hard, but it has been worth it. I think this will be the best Rocket yet. Before you say this is one particular person's scrapbook, stop and think what they do for our school. If that person is active in school they will probably be in our book a lot. We tried to make our book different because this year had been different. This is a book of memories of 1981. I hope you cherish the memories and the book like I will.

Charlotte McBryde

Most of you who read this book will probably never know how much work went into its making.

Of course you must realize that it is highly impossible for 14 people alone to make decisions that will please the whole school.

We've done the best we could to take a year's worth of memories, make it compact enough to fit, and present it in a way that we hope you will like. We do.

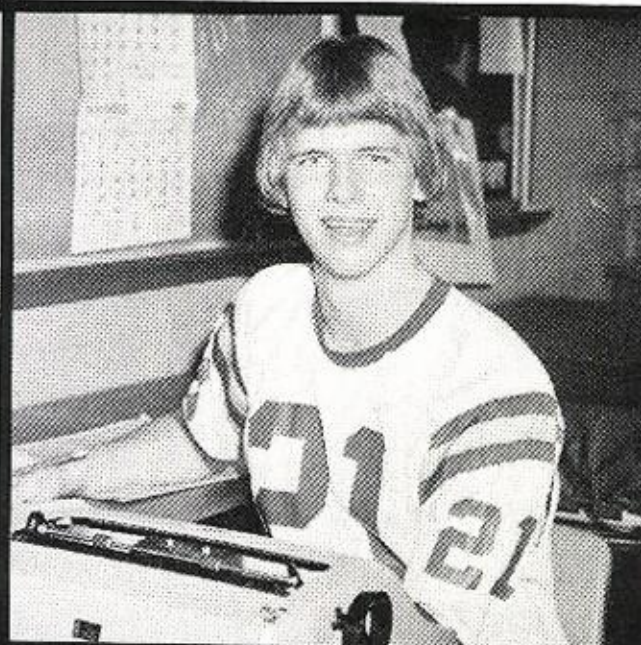

Gail Nobles

I would like to take this opportunity to thank Mrs. Holderfield and Mr. Brown for putting their time and effort in to what I feel is the best yearbook yet.

We the Rocket Staff, seniors and juniors alike, worked hard on the yearbook. I hope that you enjoy it as much as I have enjoyed working on it. I am proud to be able to say I was a part of the 1981 Rocket Staff.

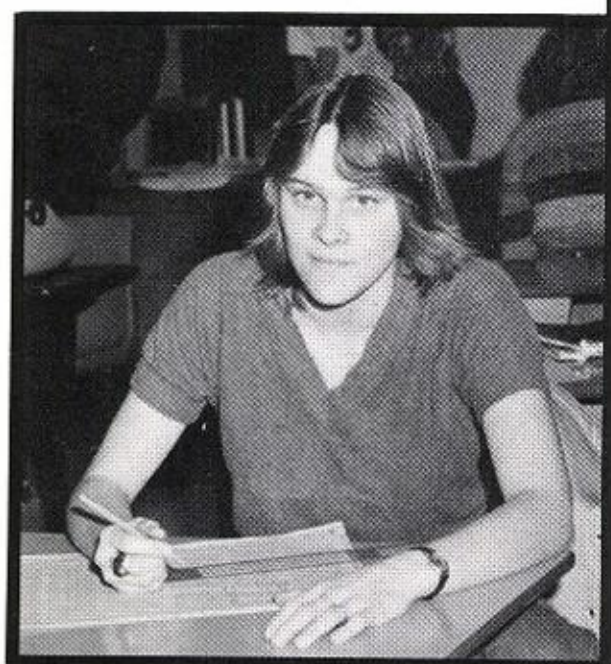

Susie Powell

Being in Rocket Staff was an interesting experience. I never realized how much time and effort really went into a yearbook. This is the final product of a lot of hard work and I hope everyone is pleased with their 1981 Rocket.

A special thanks to Mr. Brown for all his help and for being so patient with us this year.

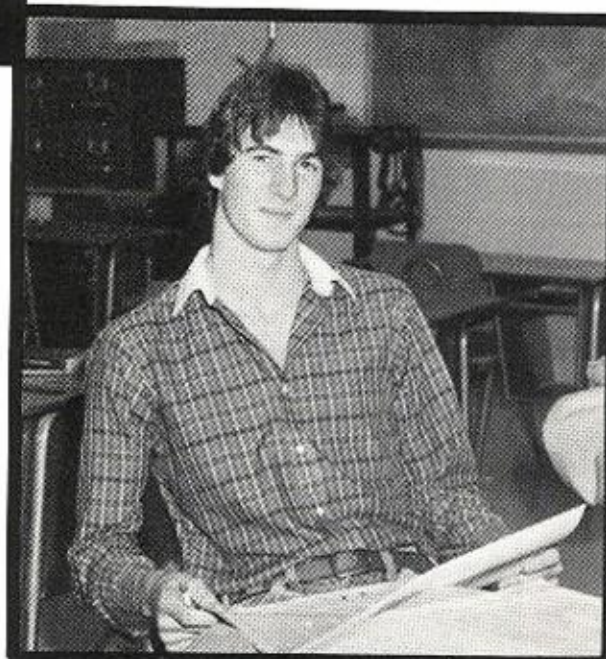

Doug Dodds

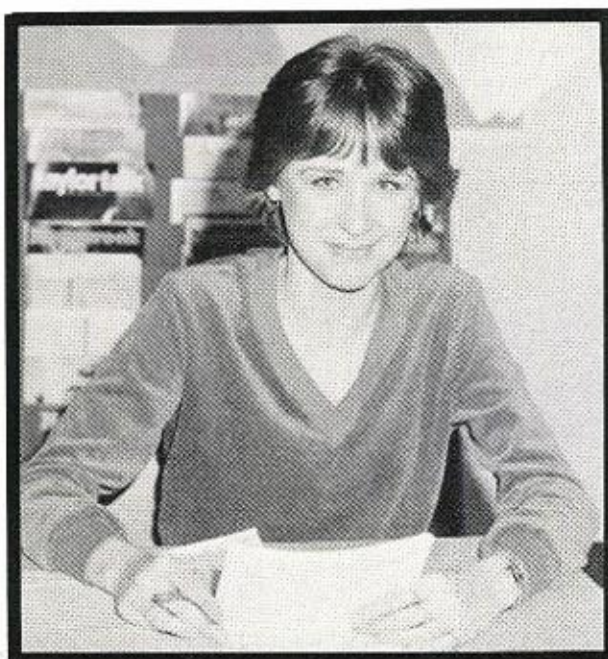

Being on the Rocket Staff has been quite an experience for me. I never knew there was so much involved in putting together a yearbook. It's been hard work, but I think it was well worth my time.

I would like to give a special thanks to Mr. Brown for all the help he has given us. I hope that everyone at SCHS will enjoy their 81 Rocket.

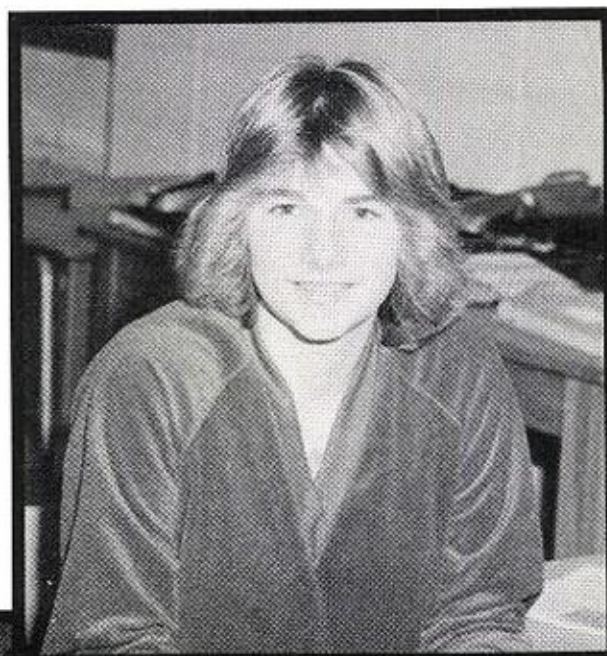

John Dreher

I have enjoyed working as a Rocket Staff member this year. Being one of the Juniors was an even greater honor. There were hard times trying to meet deadlines, but together we overcame them. A lot of long hours and hard work have been put into this book and I hope you enjoy it, because in these pages lie a year of your life.

Tammy Sullivan

I have enjoyed being involved in working on the Rocket this year. We have worked hard, but we have worked together. I believe we will have a very good Rocket this year.

Beth Beard

Being on the Rocket Staff has been an experience. Drawing layouts, then making them work and meeting deadlines can be nerve-racking, but we always managed to survive. Sometimes it felt like we would never meet our deadlines, but somehow we always did and we owe a lot of thanks to Mrs. Holderfield for helping us do it.

I feel I've learned a lot this year and I hope I can put this knowledge to use next year to help make the 1982 Rocket great.

Gay Calhoun

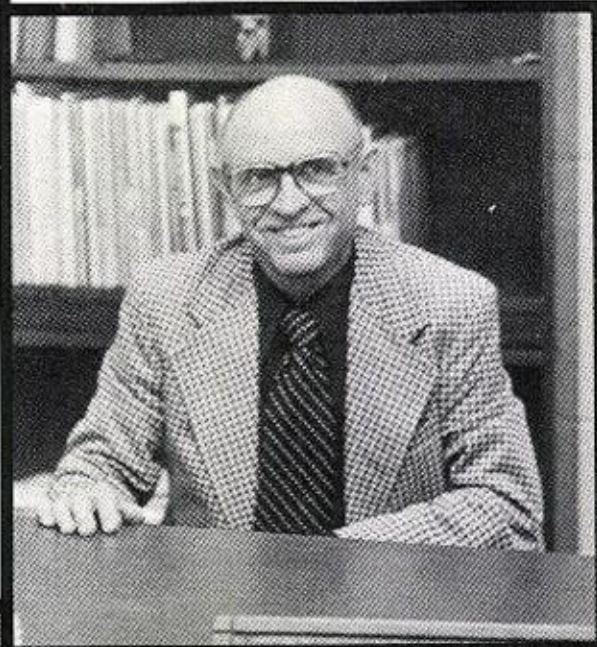

This year with the Rocket Staff has to be the most enjoyable one yet. This group is one that the school should be proud of. They have tried to consider each person and group, and what they would like in their annual.

Each year there are rough spots. But when you have a group like this, it's amazing how easy it is to get over them. I hope you appreciate the work they have put into it, because they have worked hard and long.

I think they have something here that they can be proud of. I'm proud of them and for them.

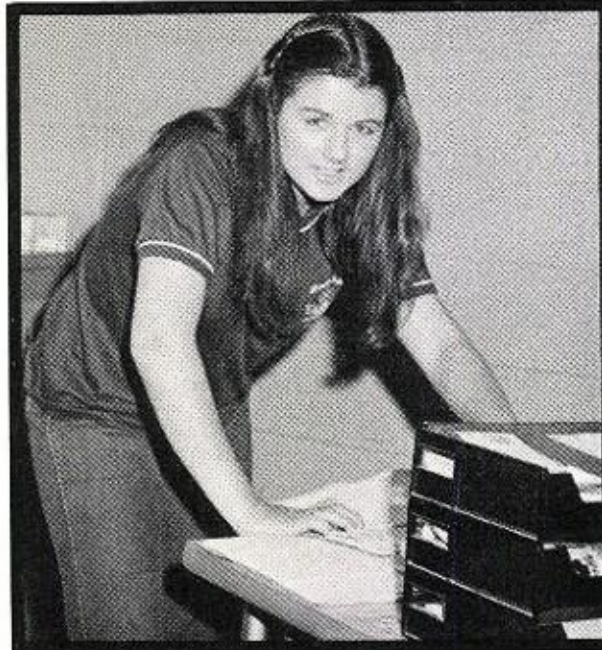

Mrs. Holderfield

Over the years I have had the privilege of working with many yearbook staffs. The 1980-81 Rocket reflects the personality of the staff. This year's book is outstanding as the result of many hours of hard work and planning.

The staff captured the mood of the campus activities this year and memories will come alive each time you turn the pages.

Mr. Brown

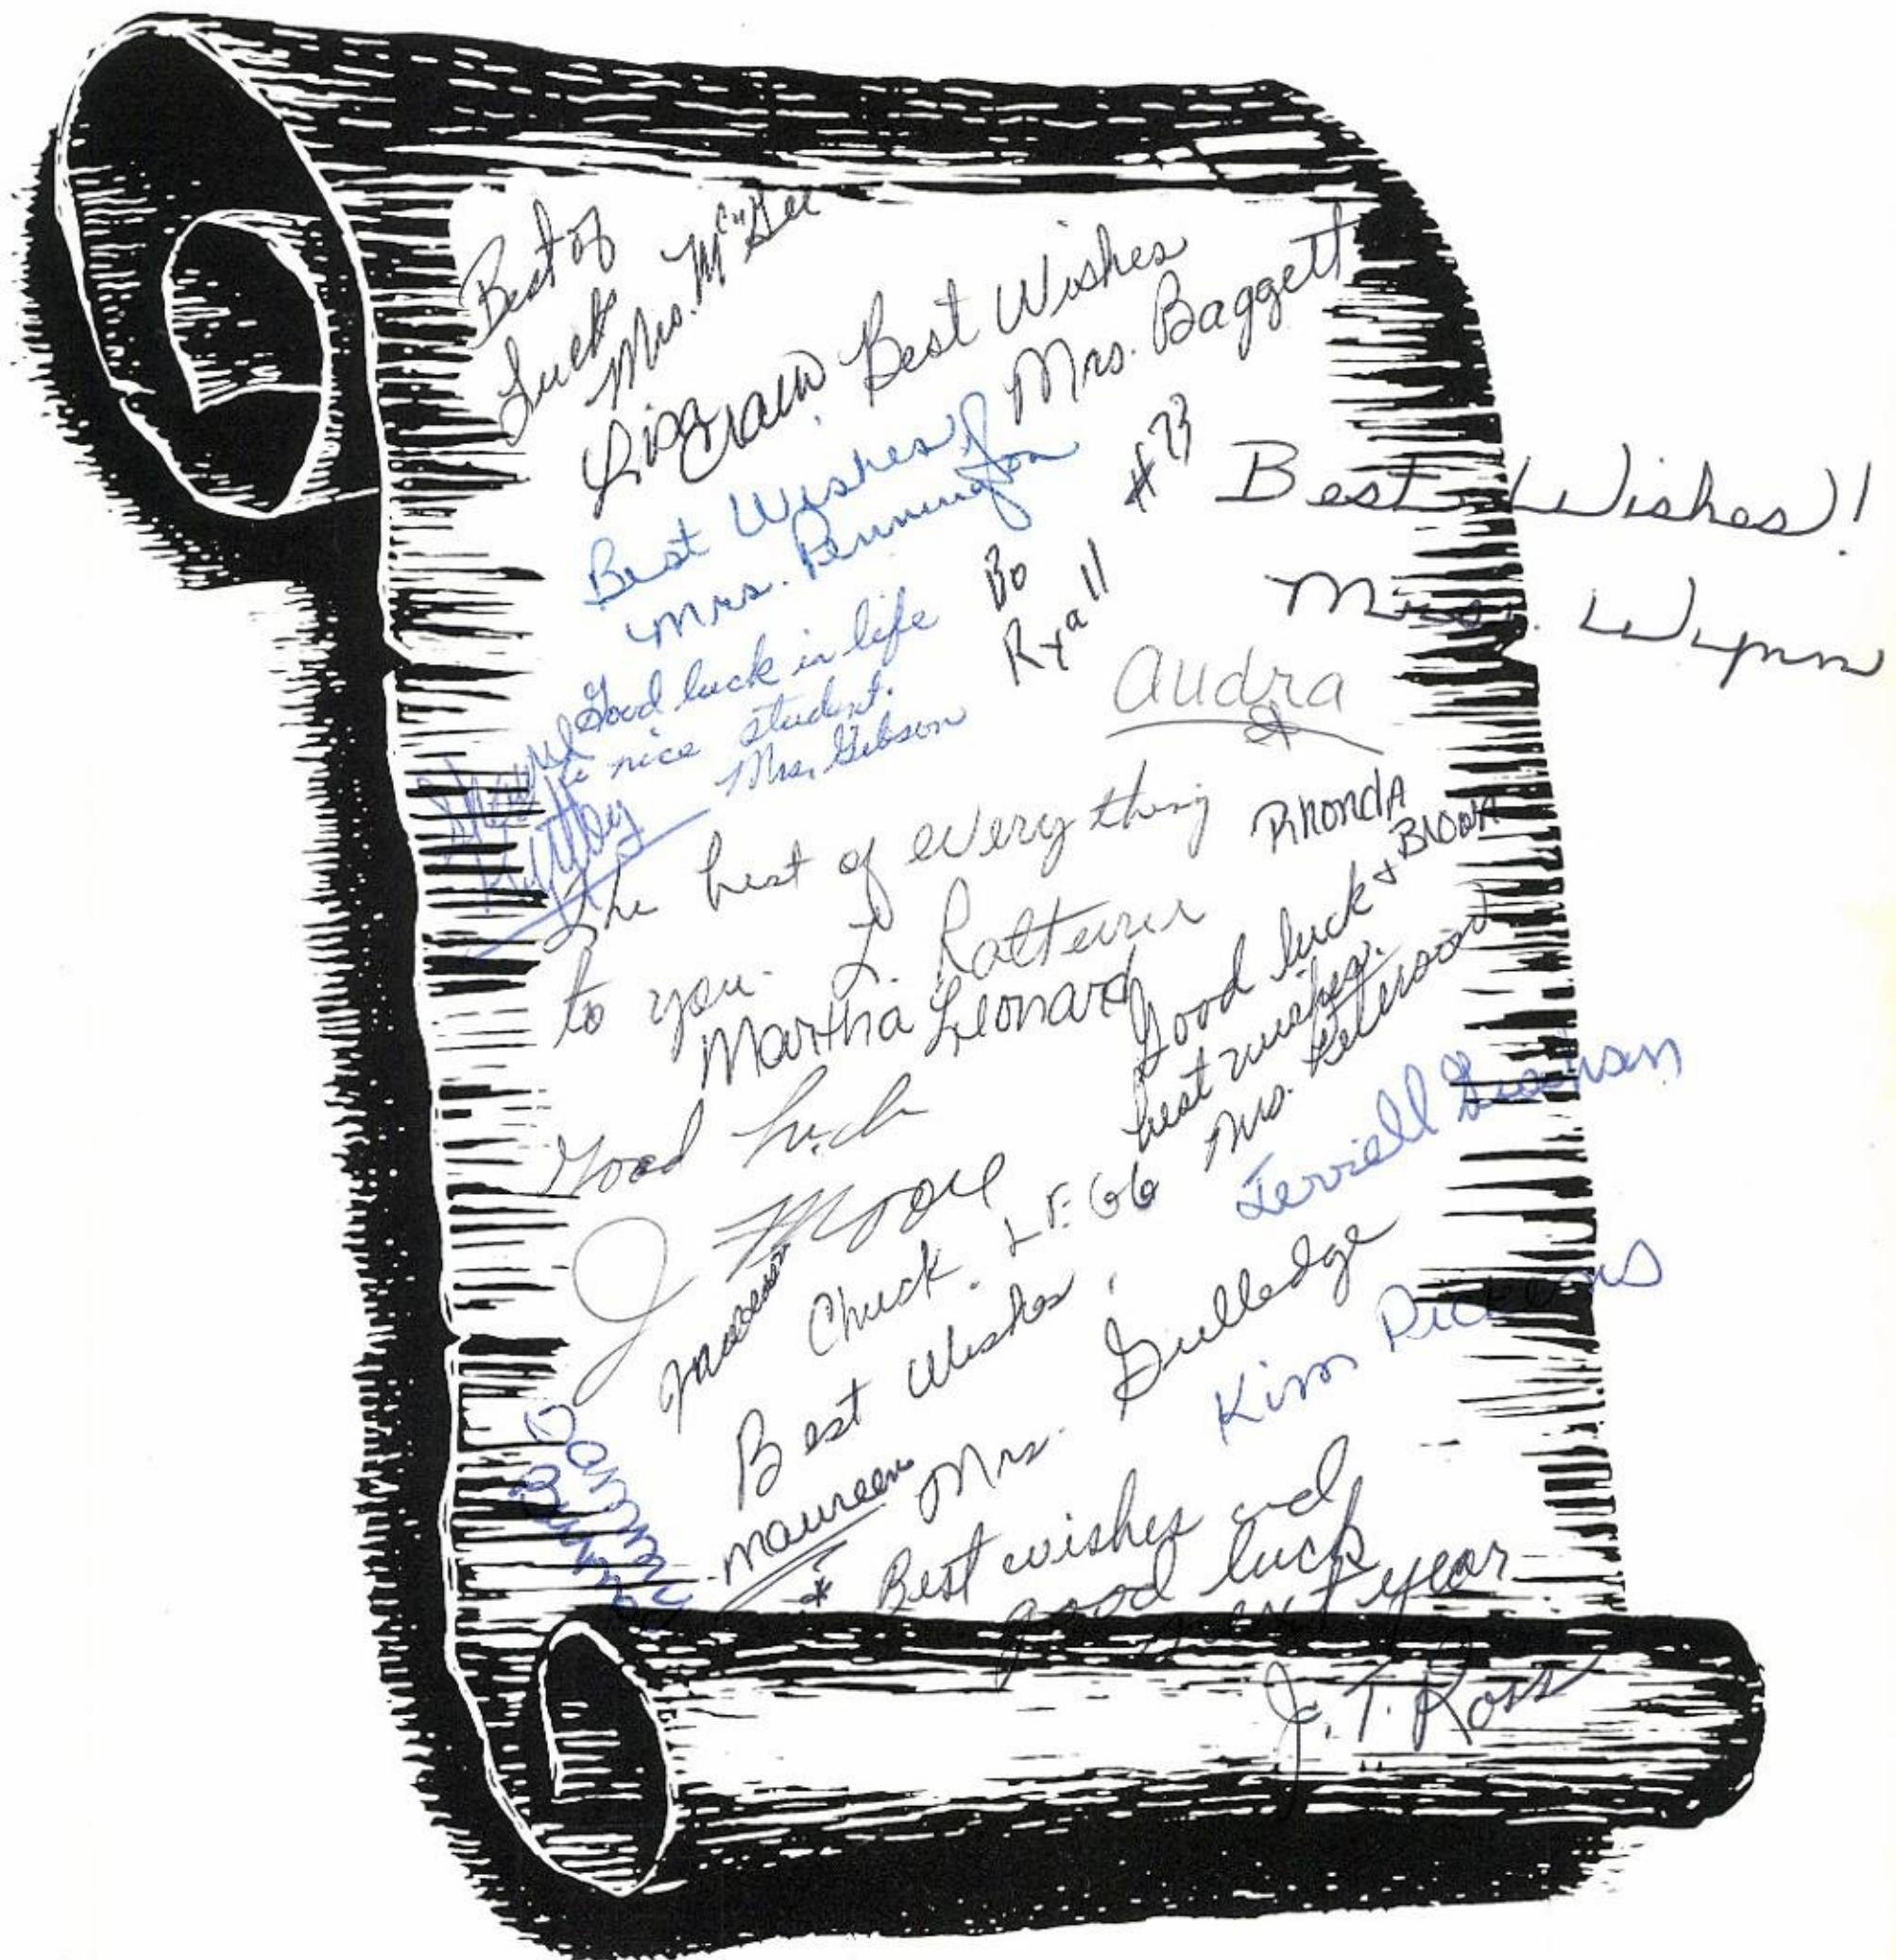

This year on the Rocket Staff has really been a learning experience for me. I have come to realize how much hard work goes into making our annual. I would like to thank Mrs. Holderfield, Mr. Phillips, and the Senior Staff members for allowing me to be a part of the 1981 Rocket. I hope all of you enjoy this Rocket as much as I have enjoyed working on it.
